GEN & REV. SEC. 1-OCT 1921

From

A. Subramanya Iyer, Esq., B.A.,
Inspector-General of Police in Mysore.

To

B. Ramaswamaiya, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
General Department.

Sir,

I have the honour to submit the following report on the Administration of the Police Department in Mysore during the year 1920-21.

I held charge of the Department throughout the year.

Mr. T. Abdul Khader continued to be the Head Quarter Office Assistant till the 6th September 1920, on which date he was relieved by Mr. S. Narayana Rao, who continued in that capacity till the 23rd June 1921 on which date he went on 20 days' privilege leave handing over charge to Mr. G. Santaveerappa, Principal, Police Training School, who remained in charge of the Office till the close of the official year in addition to his own duties.

2. Appendix "A" shows the names of Police Officers who were in charge of the Districts during the year.

PART I. C R I M E.

3. REPORTED CRIME:-- In all 7543 cognizable offences

15

of all classes or 916 less than in the previous year were reported to the Police. The fluctuations in the several classes of offences are as shown below:--

Class.	Description of crime.	Reported in 1919-20.	Reported in 1920-21.	Increase	Decrease.
I.	Offences against the State, Public Tranquility &c.	132	153	21	--
II.	Serious offences against person. -	667	649	--	18
III.	Serious offences against person & property.	2232	1860	--	372
IV.	Minor offences against person. -	129	147	18	--
V.	Minor offences against property. -	3875	3437	--	438
VI.	Other offences not specified above. -	1424	1297	--	127
	Total. -	8459	7543	39	955

Net decrease 916 or 10.8 per cent.

Excepting in Classes I and IV, there was a decrease in all the other classes, the decrease in classes III, V and VI being substantial. This was general in all Districts and is attributed by the District Police Officers to the greater vigilance of the Police in watching the movements of criminal gangs, the timely adoption of preventive measures such as road and jungle patrols and also the institution of security proceedings. The decrease under Class VI which commenced last year has continued this year also and is due to the smaller number of cases under the Defence of India Regulation. While Classes III and V contributed to the increase last year, there has this year been a satisfactory decrease in these classes.

The small decrease and increase under Classes II and IV respectively have continued from last year and do not call for any remarks.

16

Against the decrease of 11 last year in Class I there has been an increase of 21 this year. Riots which have increased from 54 to 95 are the cause of increase in Class I.

The fluctuations of crime in the Districts are as follows:--

No.	District.	Increase.	Decrease.
1.	Bangalore.	--	158
2.	Kolar.	--	115
3.	Tumkur.	--	56
4.	Mysore.	--	73
5.	Hassan.	5	--
6.	Shimoga.	-	145
7.	Kadur.	-	41
8.	Chitaldrug.	-	114
9.	Kolar Gold Fields.	-	92
10.	French Rocks.	-	47
11.	Bangalore City.	-	9
12.	Mysore City.	-	32
13.	Railways.	-	39
	Total.	5	921

Net decrease 916.

The Districts of Mysore, Chitaldrug and French Rocks Circle, which had a decrease in the previous year, showed a further decrease during the current year. There was an appreciable decrease of 158, 145 and 115 cases in the Districts of Bangalore, Shimoga and Kolar respectively against an increase of 81, 132, 121 in the previous year. In the remaining areas also the decrease was appreciable. The District of Hassan showed a slight increase of 5 cases.

4. The subjoined statement shows the total number of cognizable cases dealt with in the several Districts arranged in order of merit.

It will be seen that in the matter of detection the Kolar Gold Fields and the Kolar District have retained their first and second places respectively. Hassan has again gained 3 places and comes up from the 6th to 3rd place, Tumkur from 5th to 4th and Kadur from 8th to 6th place; while the Districts of Bangalore, Mysore and French Rocks have remained stationary in their old places of 7th, 9th and 10th respectively. The Districts of Chitaldrug and Shimoga have lost one place (4 to 5) and 5 places (3 to 8) respectively. Among Cities and Railways, Bangalore has retained its first place and Mysore City has come over Railways.

5. In the matter of recovery of property, the results are better than in the previous year. There has been improvement and that substantially in Tumkur, Kolar Gold Fields, Kadur and Shimoga, Tumkur advancing from the 5th to 1st place. Mysore has fared badly in that it has gone down from 2nd to 7th place. The other Districts remain more or less stationary.

6. DISPOSAL OF COGNIZABLE CRIMES:-- 7543 cases were reported as against 8459 cases in the previous year and 6424 cases were pending at the close of the year. Thus, the Police had to deal with 13,967 cases as against 14,517 cases in the previous year. Of these, 7 cases were transferred to British Police and investigation was refused in 257 cases. 2470 cases were declared by the Magistrates to be false or due to mistake of fact or as non-cognizable. 1295 cases were returned as undetectable against 1355, 72 cases struck off on A.Form, 116 were either withdrawn or compounded and records of enquiry were submitted to Courts in 6 cases and proceedings stayed in one case (theft) by Court under Section 249 C.P.C.

19

Of the remaining 9743 cases, 2954 (includes 1 C.Case of 1919-20) ended in conviction and 1262 in acquittal or discharge, leaving 5528 cases pending against 6424 at the close of the year. Of these, 2224 (Includes 1 C.Case of 1919-20) were pending with the Magistrates on A.Form and 1584 on B. Form and 1721 cases were under investigation with the Police at the close of the year as against 2074 cases in the previous year.

The number of cases pending with the Police at the end of the year was less than in last year.

As regards cases pending before Magistrates there has been no appreciable improvement in the matter of A.Sheets, the number pending at the end of 1920-21 being only 30 less than in last year. There has been an appreciable decrease in the number of pending B.Sheets.

CLASS I.

7. OFFENCES AGAINST STATE ETC:-- 327 cases were dealt with as against 284 in the previous year showing an increase of 43. Of these 117 cases were reported as true, as against 84 in the previous year. 56 ended in conviction as against 51 in the previous year, the percentage being 48 as against 60.7.

8. OFFENCES RELATING TO COINS:-- 11 cases (9 reported and 2 pending) were dealt with under this head as against 3 in the previous year, Kolar contributing the largest number, viz. 3.

Bangalore.	1.
Kolar.	3
Mysore.	1
Kadur.	1
Kolar Gold Fields.	2
French Rocks.	1

Two of these deserve mention. On the 19th December 1920, arrack contractor Lakshman Pillay went to the

Seringapatam Treasury to make payment and in so doing presented some coins which were cut by the Treasury officials and found to be counterfeit. Besides this, he had some more counterfeit coins (some silver and nickel and copper) and 153 eight-anna nickel coins of 1919, secured in a bundle, and also in his pocket. The Police Daffedar noted this and gave information to the higher officers when they returned later in the day from camp. Investigation was promptly taken up in the course of which the moulds etc. used were also discovered. Lakshmana Pillay along with four others (one gold smith and 3 Mahommedans) were placed before the Court. The Assistant Sessions Judge, Mysore, made Lakshman Pillay an approver and convicted and sentenced his companions to various terms of imprisonment.

The Kolar District Police and the Provincial Excise detective staff had information that counterfeit coins were manufactured in the villages of Uttanur etc. and were passed into circulation. Armed with this information, they raided a deserted temple in Uttanur on 22nd June 1921 with the result that they caught redhanded the accused Janaghatta Makarappa and goldsmith Veerabhadrachari in the act of counterfeiting nickel 4 anna pieces with mud moulds, etc. At the end of the year, the case was pending before the committing magistrate and has since ended in conviction. Of the remaining 10 cases, 3 (including pending cases in which the accused got 7 years rigorous imprisonment) ended in conviction, one in acquittal, 4 were pending on A.Form, and one on C.Form and one was pending with the Police at the close of the official year.

OFFENCES RELATING TO CURRENCY NOTES:-- 3 cases of the receipt of forged currency notes were reported during the year (one from Hassan and two from Bangalore City) against 6 cases in the previous year. One is pending before the Magistrate

on "A" Form and the other two are pending with the Police.

9. OTHER OFFENCES AGAINST PUBLIC JUSTICE:-- The number of cases reported during the year decreased from 63 to 41. The decrease is due to the fall in the number of escapes from lawful custody. Instructions were issued for the prevention of such escapes and leg shackles were supplied in order that persons might not have an opportunity of running away when given some liberty for purposes of easing. The decrease shows that the action taken has proved effective. The percentage of convictions to cases reported and pending was 32.70 and that to cases decided 78.70.

10. R I O T S:-- The number of cases reported during the year was 95 as against 54 in the previous year. Though the number is large it is satisfactory that death resulted in 3 cases only (two in Bangalore and one in Chitaldrug District) against 7 in last year. Most of these as usual were due to land disputes and factions in villages. A few were due to communial differences about processions and music. The largest number of these cases was again in the Mysore District. Except in Shimoga, there was an increase in all the Districts. The District Superintendent, Shimoga, puts down the decrease to the timely proceedings taken under Section 145 C.P.C. Instructions have been issued pointing out how disputes can be prevented from developing into riots.

In the previous year, 12 cases ended in conviction and 75 cases were pending on "A" form, while in the year under report, 18 cases ended in conviction and 90 cases were pending on "A" form before Magistrates. 38 cases ended in acquittal or discharge in this year as against 18 in the previous year and one was struck off on A.Form.

The District Superintendent of Police, Mysore,

rightly attributes the increase in the number of cases acquitted to delay in disposal by Magistrates, which afforded ample scope for the accused to tamper with the evidence for prosecution.

Two cases of rioting deserve mention here. The dispute between Hindus and Mahammadans of Mandya town over processions going in front of a Chavadi claimed as a place of worship by Mahammadans led to a riot on the 18th September 1920 when the Hindus, after obtaining license were taking the image of Sri Krishna in procession. Charge sheets against both parties were placed before Court. Before the cases proceeded, certain influential Hindus and Mahammadans gentlemen of Mysore used their good offices and brought about a reconciliation between the two parties.

The other case refers to the rioting in the town of Chintamani which has attracted a good deal of attention. While the Vaisyas were taking a marriage procession with music, the Mussalmans claimed, in spite of decision to the contrary, that music should be stopped in front of the building used by them as a mosque and caused a disturbance in which the Police and Vaisyas were assaulted.

C L A S S II.

11. SERIOUS OFFENCES AGAINST PERSONS:-- The total number of reported as well as pending cases was 1352 against 1287 in the previous year showing an increase of 65 cases, due to a large number of pending cases of last year. There was a slight decrease in the cases reported from 667 to 649. The number of cases reported under the offence of "Murder" remained stationary; while there was a decrease of 3 and 5 cases under the offences of "Attempt at Murder" and "Culpable homicide" not amounting to murder." It will be seen that cases of grievous hurt have risen from 73 to 106 and cases of criminal force have fallen from 152 to 124. The variations in

other items are small. The percentage of convictions to cases reported and pending was 12.7 while that in the last year, was 11.5 and that to cases decided was 43.2 against 43.5.

12. The subjoined table gives the results of action in cases of "Murder" "Attempts at murder" and "Culpable homicide in the several Districts:--

In the matter of murders, the increases in the Districts of Kolar, Tumkur and Chitaldrug and the decreases in Mysore and Shimoga are noticeable. 29 cases ended in conviction in this year against 33 in the last year. The percentage of convictions to cases reported and pending and

cases decided was 39.2 and 50.9 against 44.6 and 56.9 respectively. The lower per-centage is due to 4 cases struck off on a "A" Form as the accused were dead.

35 murders are reported to be due to love intrigues, 17 to civil disputes and ill-feeling, 3 to riots, 2 to thefts and 13 to other causes; and 4 are cases of infanticide.

A few cases of murder deserve mention here.

In the month of January last, there occurred in the village of Sailapur in the Pavagada Taluk, a ghastly murder on the 20th idem. One Vaisya Gundappa and 7 others who were inimically disposed to one Vaisya Sailappa murdered him and his aunt and the bodies were put under heaps of cotton seeds soaked in kerosene oil and set fire to. Property worth nearly Rs.10,000 was also taken. Vigorous investigation was set on foot. It is said that the clue furnished by foot prints left by some of the accused near the scene of occurrence and in the backyard and on the mudroofed house enabled the Police to arrest the culprits. Stolen property of the value of Rs.9,113/- was recovered. The accused persons were committed to the Court of Sessions, where the accused Gundappa was sentenced to the extreme penalty of law and 3 others to transportation for life.

The most important and sensational case during the year under report was that of the murder of an influential person named Gundappa of Akkur village, Chennapatna Taluk, by his equally influential enemy Kondapur Sidda Gowda and his followers in broad day light on the banks of the Kanva river on the 29th April 1921. Land disputes led to bitter enimity between the two persons. On the 29th April 1921, when Gundappa was returning to his village, Sidda Gowda waylaid and shot him down with a service revolver, while his followers hacked him. Notwithstanding difficulties in the way of detection, owing to the influence of leading accused, the weapons were traced and Sidda Gowda and his companions were placed before the Special Magistrate, appointed for the purpose at Channapatna who committed them to the Court of

25

Sessions before the close of the official year. The case, it might be added, has since been disposed of, Sidda Gowda being sentenced to the extreme penalty of the law and 5 of the co-accused to transportation for life.

The following case is specially referred to showing as it does how the successful detection of a murder was due to the high sense of duty displayed by a Patel's mother (Deveeramma) in the Mysore District; Chennaveeramma, wife of one Lingiah at Karapura, Nanjangud Taluk, was in intimacy with one Malliah of the same village. At about noon on the 21st December 1920, the accused Lingiah and 6 others pounced upon the unfortunate Malliah, who was passing in front of their house, attacked him with sickles, spear and club and beat him to death in the presence of his wife and children and other villagers. The accused then threw away the dead body in the adjoining grove and escaped. The Patel was absent at the time. So his mother Deveeramma ran to Allatur, a distance of 2½ miles and sent her son-in-law Siddappa with the information of the occurrence to fetch her son, who returned to the village before sun set, secured the dead body and reported the matter to the Police. In spite of difficulties, the Police succeeded in arresting all the accused persons, charge-sheeted and placed them before the Magistrate. The case which was pending at the close of the year subsequently ended in conviction of the accused by the Sessions Judge.

13. ATTEMPTS AT MURDER AND CULPABLE HOMIDIDE:-- The number of offences was less than the number reported last year by 3 and 8 respectively. The percentage of convictions in both the offences to cases decided was 40 and 80 respectively against 60 and 62.5 of the previous year.

14. Serious offences against person and property:-- The total number of cases dealt with under this class was 3872 against 4120 in the previous year. The subjoined statement shows the result of Police action under the most important heads of dacoity, robbery and house-breaking and theft.

15. DACOITIES AND ROBBERIES:-- There was an appreciable fall in the number of dacoities from 57 to 27, Kolar contributing so many as 8, Kadur 7 and Shimoga and Tumkur 6 each and Chitaldrug 4. There was a slight decrease in the number of robberies from 81 to 77 during the year under report.

27

The decreases are due to the prevention of inroads of foreign gangs who generally are responsible for this offence. The Bangalore District reported the largest number of dacoities and robberies being 12 and 22 against 7 and 15 respectively in the previous year. The increase is rightly attributed by the District Superintendent of Police to ill-feeling and party strifes leading to the exaggeration of minor offences. Two cases in Mysore District and one case in French Rocks or 3 cases in all are reported to be the work of professional gangs against 23 cases in the previous year

A series of three dacoities, one after another was committed by a gang of 6 persons, after escaping from the Shimoga District Lock-up on the 19th July 1921 and all within the limits of Nagar Taluk. Two of the gang were soon brought under arrest with a portion of stolen property and placed before the Court. The accused persons who had previous convictions were sentenced by the Sessions Judge to 7 years and three years rigorous imprisonment each.

Mr. S. V. Ganapathi Iyer, Treasury Assistant Commissioner, Mysore and another Police Daffedar were way-laid and dacoited on the high road about 6 miles from French Rocks by a gang of Waddars both local and foreign and property consisting of cloths and cash etc. amounting to Rs.144-14-0 was carried away. The culprits were caught with the property in a village 12 miles from the scene of occurrence. At the close of the year, the case was before the committing magistrate.

The value of property reported to have been lost in cases of dacoity was Rs.2,956/- and Rs.1,263/- was recovered.

The percentage of convictions to cases reported and pending under dacoity was 26.6 in this year against 12 in the previous year and that to cases decided was 72.2 against 60.

16. HOUSE-BREAKING AND THEFT:— The number of cases reported decreased from 1941 to 1627 in the year under report. All

important areas except Mysore District reported decreases which were noticeable in the Districts of Bangalore (64) and Shimoga (57). The offences of this class also are in a good many instances due to foreign gangs of Gantichors, Koramars, Bavarias and others and the decrease is due to the prevention of their visits. The ~~persistent~~ preventive action taken for the recovery of a valuable jewel stolen by Bavarias last year must be said to have had its effect in preventing their visit this year. It is said that "a very efficacious mode of preventing crime committed for gain would be to make it unprofitable and that if a thief ~~xxxxx~~ knew that as soon as he had committed theft, the stolen property would be taken out of his hand and restored to the owner, theft would not be committed." The resorts of Bavarias were also frequently inspected in Bangalore City with the result that crimes of this class were less.

A series of house-breaking and thefts in the Taluks of Davangere and Harihar was suspected to be the work of Gantichors ~~of Anekere~~. But the investigation of a heinous house-breaking and theft on 20th August 1920 in the house of one Benkappa in the Davangere town, revealed the fact that the Lambani gangs of Harapanahalli were concerned in the offences with the result that some house-breaking and thefts committed during the year were traced to them and property recovered. Another case of burglary in March 1921 in Harihar village, involving money Rs.2000/- was also traced to them and almost the entire property recovered from them. The accused Lambanies were still undergoing trial in the Court of Davangere at the close of the year. The Assistant Superintendent of Police, Davangere, reports that with the detection of these cases and the arrest of Lambani criminals, professional house-breakings have stopped in the area for the present.

18. ORDINARY THEFTS:-- The number of cases reported under this head appreciably decreased from 2780 to 2485, while the slight increase in the Districts of Kolar, Kolar Gold Fields, Kadur and Mysore City call for no remarks, the decrease, especially in the District of Bangalore (76) and Shimoga (111) is noticeable. The largest number of thefts was again in the Bangalore District being 274 against 350. The

proportion of convictions to acquittals has again increased in all areas except Tumkur, Mysore and Shimoga. The percentage of convictions to cases reported was the highest in the Mysore City being 68.3.

The largest number of cases reported was in the Bangalore District being 274 and the lowest 134 in French Rocks.

19. THEFT OF CATTLE:-- The decrease in the number of cases under this head from 524 to 414 is noticeable. It is satisfactory to note that the decrease is found in 10 out of 12 areas. The largest was in the districts of Shimoga (25) and Bangalore (24). It is attributed to the greater check exercised over the movements of professional cattle lifters by both the village and regular Police. No case, it will be observed, was however traced to cattle-lifters. The Superintendent of Police, Kolar Gold Fields reports that in conjunction with the District Superintendent of Police, Chittoor, arrangements have been made for issuing chits by Patels and Shanthogues and other persons to every seller of leather and for the inspection of Mandies or Go-downs of Hide-Merchants and the checking of their registers and for the intimation of the cattle-thefts to the adjoining Districts in British Territory and Mysore State and So forth, and that these preventive measures are proving successful. The percentage of convictions to cases reported and pending being almost the same as in the previous year -41 against 41.6 and that to cases decided was 64.6 against 78.7 in the previous year.

20. RECEIVING STOLEN PROPERTY:-- Under this head 31 cases were reported during the year or 9 less than the previous year. Twenty cases ended in conviction and 19 ended in acquittal or discharge including those of the previous year.

21. PERSONS IN POLICE CASES:- The total number of persons concerned in cognizable cases dealt with by the Police was 12,833 (7993 arrested during the year and 4840 pending from previous year)against 11,901 (7884 arrested and 4017 pending in the previo

year). Of these 249 persons were released (230 by Police under 169 C.P.C. and 19 by Magistrates) without trial, 4026 were convicted, 3105 acquitted or discharged, cases against 49 were withdrawn, 160 compromised, 31 died, one escaped, one made an approver, 17 were transferred, 2 were sent to Lunatic asylum and 4892 were in custody, pending investigation or trial or on bail at the close of the year, the figures for the preceding year being 292 released (224 by Police and 68 by Magistrates) 4316 were convicted, 2596 discharged or acquitted cases against 64 withdrawn, 71 compromised, 13 died, 4 escaped, 13 transferred, one sent to Lunatic Asylum and 4540 were pending investigation or trial or on bail. The percentage of persons convicted to those arrested was 50.3 against 62.4 and of those tried was 56.8 against 62.4 in the previous year.

22. DIRECT CASES AND PERSONS:-- In 2032 Magistrates' true cognizable cases, 5877 persons were arrested, of whom 584 were convicted in 338 cases. The percentage of convictions to true cases was 16.4 against 16.8.

23. NON-COGNIZABLE CASES:-- The number of non-cognizable cases entertained by Magistrates, during the year under report, was 10,080 against 9,886 in the previous year showing an increase of 194 cases. Including 1,534 cases pending at the end of the preceding year, the total number of cases dealt with during the year was 11,614. Of these, 2844 or 24.5 per cent ended in conviction against 2,965 or 26.3 per cent and 5,325 ended in acquittal or discharge against 5,140, in the preceding year. Of the remaining cases, 650 as against 700 were dismissed without trial, 3 against 11 were declared to be due to mistake of law or fact; 1018 against 901 were compounded or withdrawn and 37 against 22 were transferred, one was struck off and 1730 against 1,834 cases were pending trial at the close of the year.

24. PERSONS IN NON-COGNIZABLE CASES:-- Including 3,668

persons who were under trial before the Courts at the beginning of the year, 24,706 appeared before courts, in the above cases. Of these, 16,251 persons were tried, 3278 or 20.1 per cent were convicted and 12,973 were either acquitted or discharged, 2361 were discharged, after appearance, without trial, 1679 were concerned in cases compounded or withdrawn, 108 were transferred, 6 died and 4301 were awaiting trial at the close of the year.

25. CASES REFERRED TO POLICE FOR ENQUIRY:- The following statement gives Districtwar details of both cognizable and non-cognizable cases referred by Magistrates to the Police for enquiry and the way they have been disposed of:--

During the year under report, 627 cognizable cases and 49 non-cognizable cases were referred to the Police for enquiry as against 688 and 37 respectively in the preceding year. The tendency to refer cases to the Police still continues and has not shown any signs of substantial improvement. The largest number of references under cognizable and non-cognizable cases was in the District of Shimoga being 125 and 30 against 71 and 7 respectively in the previous year.

It is expected that the remarks by Government in the review of last year's Administration Report will tend to reduce the number hereafter.

26. PREVIOUS CONVICTIONS:- Out of a total of 1887 persons convicted of offences under Chapters XII and XVII I.P.C., previous convictions were proved against 230 persons, as against 121 out of 1865 persons in the previous year. One previous conviction was proved against 104 persons, 2 against 89 persons, 3 against 13, 4 against 24, 5 against 7, 6 against 9, 7 against 11, 8 against 2 and 9 against 1.

27. PROSECUTIONS FOR FALSE COMPLAINTS:-- Out of 2470 cases against 1954 in the previous year ordered to be struck off by Magistrates as false or non-cognizable or as due to mistake of law or fact, only 8 cases (one in Bangalore, 3 in Mysore, one in Shimoga, two in Kadur and one in Chitaldrug Districts) were declared to be maliciously false. Sanction to prosecute the complainants, though applied for in all the 8 cases, was granted only in 6 cases. In one case sanction was refused and in the other in the Mysore District application was pending disposal before the Magistrate at the close of the year. Prosecutions were launched in all the 6 cases with the result that 3 ended in conviction, one was struck off, owing to the death of the accused, and the remaining two were pending before Magistrates. The District Police Officers of Tumkur, Mysore and French Rocks sanctioned prosecutions in 5 cases involving 5 persons, all

ending in convictions.

28. PROSECUTIONS FOR PERJURY:-- Kolar was again the only District in which two cases involving two persons were prosecuted during the year under report and convictions secured in both. In the Mysore District an application for prosecution in one case was pending with the Magistrate at the close of the year.

It has been observed in the Government Review of last year's ~~xxx~~ report in this connection that

> "Having regard to the large number of acquittals, discharges etc. and the frequent complaints of the Police that prosecution witnesses are tampered with, it is strange that only three persons were prosecuted for perjury. Greater attention should be paid by the Police to bring false witnesses to justice. The results achieved during the year under review are poor and show that the Police Superintendents are not alive to their duty in regard to this matter."

This year also the work is no better. The observation of Government might tend to improvement in this matter hereafter.

29. SESSIONS TRIALS:- The total number of Sessions cases was 106 against 108 in the previous year. Of these 71 or ~~64~~ 67 per cent of the cases tried, as against 73 or 68 per cent in the previous year ended in conviction and 15 cases were awaiting trial. The subjoined statement shows Districtwar details:--

Total for 19-20.	108	73	23	76.04	145	124	53·9	80	3 withdrawn & 9 pending.

The largest number of Sessions cases was in the Districts of Mysore and Shimoga, the figures being 23 and 20 respectively. The best results were secured in Mysore, Hassan, Kadur and Mysore City and those in Tumkur and French Rocks and Bangalore City were good. The percentage of convictions as regards cases decided shows again an improvement being 78 against 76.04. The percentage of convictions of persons shows an inappreciable decrease being 52.76 against 53.9.

30. RECOVERY OF STOLEN PROPERTY:-- Statement "C" attached shows the value of property lost and recovered during the year under report. In 3521 cognizable cases,

37

property of the value of Rs.3,21,480-13-0 was lost against Rs.3,90,181 in 3747 cases, of which in 2279 cases property of the value of Rs.1,43,900-8-1 was recovered against Rs.1,25,852 in 2477 cases during the previous year. The percentages of cases in which property was recovered to cases in which property was stolen and that of value of property recovered to value of property stolen were 64.7 and 44.7 respectively against 66.1 and 32.3 in the previous year.

The value of property lost was bound to be less as there was a substantial decrease in offences. It has to be noted that the value of property recovered is more than in last year. There were not any cases of breach of trust involving large amounts.

There were however 3 cases of forgery and cheating in the Electrical Department and two in which the amount involved was Rs. 8280/- were placed before Courts and ended in conviction.

31. VAGRANCY AND BAD CHARACTER:-- 144 persons were proceeded against in 69 cases under the security sections 109 and 110 C.P.C. against 104 persons in 42 cases, showing thereby some improvement under this head during the year under report. Of these, 72 persons as against 49 were sentenced to various terms of imprisonment and sent to jail and 18 were let off after furnishing security. The details of action taken are given in the following statement:--

District.	Cases. Number.	Ending in conviction.	Ending in acquittal or discharge	Pending.	Remarks.	Persons. Arrested.	Convicted.	Acquitted or discharged.	Sent to Jail	Furnished Security.	Remarks.	Period of imprisonment.

Mysore City.	-	-	-	-		-	-	-	-	-		
Total.	69	50	13	6		144	90	46	72	18	8 pending.	

With a view to prevent crime, the necessity for action under these sections is impressed upon all officers.

The largest number of cases proceeded against was in French Rocks being 14 against 39 persons. Though the number of cases dealt with in the Bangalore District was only 8 the number of persons arrested and dealt with ~~was~~ was 32. Increased interest in controlling the movements of wandering gangs is perceptible and Mr. P. Shama Rao, who was in French Rocks and is now Superintendent of Police, Chitaldrug has shown keenness in the matter.

32. PREVENTIVE ACTION UNDER SECTION 565 C.P.C.:-- During the year, 3 convicted persons (one in Kolar and 2 in French Rocks) were ordered by Magistrates to notify residence under the Section against 2 in the previous year. The District Superintendent of Police, Chitaldrug, reports that the old offenders and suspects convicted being mostly foreigners, no orders were sought under this section. The absence of any action in Tumkur District is said to be due to there being no fit cases under this head. The District Superintendent of Police, Hassan, writes that no action could be taken inasmuch as the Magistrates had not been empowered to exercise powers under this section.

33. KNOWN DEPREDATORS:-- The names of 1874 K.D.'s were borne on the registers in the several Districts and Cities. Of these 1370 were present, 230 were out of view, 74 died, 113 were in Jail, 1 joined the Military Department and 86 were transferred to other jurisdictions. Action in accordance with the instructions conveyed in paragraph 13 of Government Review on the Administration Report for 19-20 is being taken and the result will be reported in the Administration Report that will be submitted next year.

34. ARREST BY VILLAGE POLICE:-- 69 persons were arrested by the village Police in 51 cases against 126 persons in 60 cases in the preceding year. Of these, 45 persons in 34 cases were convicted, 11 persons in 7 cases were acquitted, 2 persons in one case were released by the Police, 11 persons in 9 cases were awaiting trial. The largest number of arrests was again in the Bangalore District being 20, while no arrests were made in the Hassan and Chitaldrug Districts. Details of offences in which arrests were made are shown below:--

Offences.	No. of cases in which arrests were made.
1. Theft.	39
2. House-Breaking and theft.	10
3. Grievous hurt.	1
4. Robbery.	1
	51

Though the number of cases and persons is less than in last year, there is nothing to be said against the village Police. How the prompt action taken by a Patel's mother led to the speedy arrest of accused persons in the Karepura murder case, Nanjangud Taluk, has already been referred to in paragraph supra. In the case relating to the murder of Akkur Gundappa the Patels of some villages in the Channapatna Taluk heartily co-operated with the Police. Rewards in these cases have not yet been recommended.

In the Districts of Shimoga and Chitaldrug the village Police were liberally rewarded for helping the regular Police in the arrest of offenders.

It is ~~only~~ not the village Police only who have helped, villagers who also under the guidance of their Patels have arrested important criminals.

4 Guntichors of Arsikere in the Harpanahalli Taluk concerned in a series of house-breaking and thefts in the Chitaldrug District were captured by the Patel and villagers of Honnaikanahally, Davangere Taluk. The accused were put on trial and convicted to various terms of imprisonment by the Sub Division Magistrate, Davangere. The villagers were handsomely rewarded.

A dangerous criminal by name ~~one~~ Lokani Rama who was responsible for serious offences in the limits of Harapanhally Taluk in Bellary District and for whose arrest a reward of Rs.100/- had been offered by the British Police and who committed offences in our limits also was chased for a distance of three miles by relays of villagers of Hethlykatte, Haganur, Balakatte and Bisiari in the Davangere Taluk and arrested. He was convicted in 3 house-breakings and theft cases in Davangere Sub Division and sent to Bangalore Central Jail wherefrom he was made over to the British Police for trial.

4/

The villagers were suitably rewarded.

35. CASES UNDER THE MYSORE INFANT MARRIAGES PREVENTION REGULATION:-- In 3 cases (one in Bangalore and 2 in French Rocks) 11 persons were prosecuted for violation of provisions of this Regulation. One case with two persons in French Rocks ended in conviction while 3 persons involved in one case in the Bangalore District were acquitted. The other case in French Rocks against 4 persons was pending trial. Out of the remaining two persons, one died before trial and the other is reported to be absconding.

36. OFFENCES UNDER THE JUVENILE SMOKING PREVENTION REGULATION:-- 73 Juveniles (28 in Mysore City, 21 in Bangalore City, 20 in Tumkur and 2 in Gold Fields) were prosecuted during the year against ~~110~~ 127 in the previous year. Of these 6 were convicted and sentenced to fine and the remaining 67 warned as first offenders.

The District Superintendent of Police, Tumkur, writes that the guardians of juveniles were also intimated of the warnings accorded.

37. PROCESSES:-- The total number of processes including those under the Breach of Contract Act, issued, executed and un-executed during the year was 1,66,321, 1,41,840 and 23,330 against 1,67,315, 1,42,127 and 25,118 respectively in the preceding year. Out of 23,330 processes which were un-executed, 22,169 were returned to Magistrates, while the remaining 1161 against 2384 were pending with the Police.

38. VIOLENT AND UNNATURAL DEATHS:-- The total number of persons who lost their lives from violent and unnatural causes were 2379 against 2626 in the previous year shewing a decrease of 247, the causes and details of death being as follows:--

Causes of death.	1919-20 No.of cases.	1920-21 No.of cases.	Males.	Females.	Children.

Total. -	2626	2379	948	833	598

Decrease in the number of suicides and accidental deaths and the increase in the number of deaths due to snake-bites and other causes are noticeable.

39. INVESTIGATION OF HEINOUS OFFENCES BY HIGHER OFFICERS:- 660 heinous cases were reported during the year as against 719 in the previous year. The District Police Superintendents of Hassan, Kadur, Chitaldrug and Kolar Gold Fields and Assistant Superintendents of Police of Bangalore and Mysore

Cities personally directed the investigation of heinous cases on the spot. The District Police Superintendents of Kolar and Tumkur visited the spot and issued instructions in 40 and 25 cases respectively. The District Police Superintendents of Bangalore and Mysore in addition partially investigated 3 and 2 cases respectively; while the District Police Superintendents of Shimoga and French Rocks fully investigated one and two cases respectively.

During the year, the Amildars in all the Districts investigated 47 cases (34 fully and 13 partly) as against 39 (34 fully and 5 partly) in the previous year. The District Superintendent of Police, Bangalore, reports that the Amildars in the District showed better interest in the investigation of cases. In connection with the case of Akkur Gundappa's murder, the Deputy Commissioner of Bangalore and I visited the scene of occurrence and spent more than a week in the Channapatna Taluk watching the investigation.

40. LICENSES AND PROSECUTIONS UNDER THE ARMS REGULATIONS:-- 19,517 licenses were issued under this Regulation during the Calendar year ending 31st December 1920 against 18,154 in the previous year. 33 cases involving 36 persons were prosecuted for violation of the provisions of this Regulation and the rules framed thereunder, of which 18 cases involving 19 persons ended in conviction. 2 cases with 2 persons were withdrawn in Kolar Gold Fields and 3 cases with 3 persons ended in discharge and the remaining 10 cases involving 12 persons were pending disposal at the close of the year.

PART II. GENERAL ADMINISTRATION.

41. FINGER PRINT SLIPS ON RECORD:-- On the 1st July 1920, there were 34,153 slips on record and 2076 slips were received for record during the year making a total of 36,229 slips in the Bureau at the close of the year. The sub-joined statement shows the distribution of slips received for record as compared with the previous year:--

A large number of slips was received for record during the year than in the previous years being 2076 in 1920-21, 1629 in 1919-20, 983 in 1918-19 and 1046 in 1917-18. The largest number of slips viz. 212 was received from Hassan, next come Kolar, Bangalore, Kolar Gold Fields, Tumkur, Mysore, Chitaldrug and Criminal Tribe's Section with 198, 193, 164, 152, 120, 119 and 104 slips respectively.

42. EXPERT OPINION:-- The expert attended the Courts and gave evidence in 27 Criminal cases and 15 Civil suits and other departmental cases as against 20 and 7 in the previous year. Written opinion was furnished in 40 Civil cases and 15 Criminal and other departmental cases, as against 27 and 8 respectively in the previous year. The expert imparted instructions to the students of the Police Training School on the Finger Print system.

43. CRIMINAL INVESTIGATION DEPARTMENT:-- Mr. A. Hayes was in charge of this department throughout the year.

The staff was in addition to usual work employed in the investigation of (1) a case of cheating by one K.Hanumantha Rao styling himself as the Honorary Secretary of the "Generous Club" Mysore, founded in memory of the late Lokamanya B. G. Tilak, (2) in helping in the investigation of cases of administering stupefying drugs in Hassan and Nanjangud, (3) in the murder case of Akkur Gundappa of Chennapatna Taluk, (4) in the counterfeit coin case of Chickamagalur, (5) in enquiring about forged currency notes that appeared in Bangalore City and Kolur, (6) in the missing of one Krishniah of Gonibid and (7) in the missing of some kit from parcels sent by the Chief Office to Gorgaum. The Department in the State has till now had only to deal with the prevention and detection of offences. There was no political activity in the State and therefore no political cases for the C.I.D. Latterly the starting of Congress Committees, the training of Khilafat volunteers, the picketting of liquor shops, the holding of political meetings, the delivery of speeches and Harikathas on political

subjects and such matters are receiving the attention of the Police.

44. POLICE TRAINING SCHOOL:-- The following officers were in charge of the Police Training School during the year under report:--

Mr. M. Rama Rao, B.A., B.L., from 1st July 1920 to 2nd Feb.21.

Mr. C. Machia, B.A., from 3rd Feb.1921 to 14th March 1921.

Mr. S. Narayana Rao from 15th March 1921 to 16th May ~~May~~ 1921 (in addition to his own duties as Assistant to ~~the~~ Inspector-General of Police).

Mr. C. Santaveerappa, B.A., from 17th May 1921 to 30th June 1921.

The status of the Principal of the School was reduced temporarily, it is believed, from District Superintendent of Police to Assistant Superintendent of Police with a view to effect retrenchment in expenditure.

During the year 128 Constables both literate and illiterate underwent training in two batches each batch for a period of 6 months. Of these 126 passed in the Final Examination. The illiterate constables were taught how to read and write Kannada.

There were two classes one English and another Kannada, the former for Inspectors and Sub Inspectors, and the latter for station house officers, 11 and 53 students as against 18 and 30 underwent training respectively in these classes of whom 7 and 48 against 12 and 27 in the previous year successfully passed in the final examinations.

It is a matter for ~~congratulation~~ gratification that out of a total of 15 passes for the whole State in the Local Service Criminal Lower Examination 6 or 40 per cent of the successful candidates (4 of the Inspectors' Class and 2 of the Station House Officers' Class) come from the Police Training School, one of them standing first for the Province. This demonstrates the value of the instructions imparted and the

high level of efficiency in which the School is maintained.

A monthly journal in the Kannada language for the benefit of the Police and the public is being edited by Mr. S. N. Hanumantha Rao, B.A., Senior Inspector in the School and issued once a month. The yearly subscription is Rs.2/-. There are 1040 subscribers. The Government was pleased to sanction a grant of Rs.400/- towards the cost of the Journal in appreciation of its usefulness in their proceedings No.13220-21/Police 120-20-2 of 30th March 1921.

The advantages of the Hostel system cannot be underrated. The question of making it permanent is before Government.

45. PROVINCIAL SPECIAL RESERVE POLICE FORCE:-- Besides the usual guard and escort duties, a small detachment was sent to Madras during the stay of the Royal party there and another was on special duty at Channapatna in connection with the sensational murder case of Akkur Gundappa. Detachments were also detailed for patrolling the Hill areas during the strikes.

46. INSPECTION OF STATIONS BY DISTRICT POLICE OFFICERS:-- The following statement shows the details of inspections done by Deputy Commissioners and Superintendents of Police:--

The inspection in all the Districts was satisfactory. The shortcomings in the Bangalore, Kolar, Mysore, Hassan and Chitaldrug Districts and in French Rocks have been accounted for. The Deputy Commissioner of Kadur, it is satisfactory to note, visited all the Police Stations while those of Tumkur, Mysore and Hassan, Shimoga and Chitaldrug visited a good number of them.

47. STRENGTH OF THE FORCE:-- Statement D appended to the report shows the sanctioned strength, distribution and the cost of the Police Force during the year. The sanctioned strength was 912 officers and 5326 men as against 915 officers and 5322 men in the previous year, the fluctuation being due to 3 probationers having been absorbed in the regular force and an addition of 4 Constables viz., 2 to the railway platform at Mysore and 2 to Tarikere-Narasimharajpura Tramway.

There was a temporary force of 39 officers and 166 men as against 121 officers and 287 men, and the decrease is accounted for as follows:--

I. Abolition of temporary staff sanctioned for

(a) duty on the frontiers of Jagalur and Pavagada Taluks in place of Biradari of Sowars,

(b) the food control operations at the several frontiers of the State.

II. Sanction of temporary staff for

(a) the Chetnahally and Belagola out-posts in the Mysore City,

(b) the Chitaldrug town.

48. RECRUITMENT AND VACANCIES:-- There were 715 enlistments during the year, as against 566 in the previous year, of which 117 or 16.3 per cent was enlisted in the Bangalore City. The number of vacancies at the end of the year was only 71 as against 169 of the previous years. The

Chitaldrug District showed the largest number, viz. 35 vacancies, which the District Superintendent of Police ascribes to the inadequate pay and allowances as compared with those obtaining in British Territory. In addition to the Kolar Gold Fields, where there was not a single vacancy both in the past and current years due more to the liberal treatment accorded to the Police in the matter of both pay, local and other allowances and house accommodation, it is highly satisfactory, that the Districts of Kadur, Shimoga and Hassan similarly reported none, a fact which is to be attributed to high price allowances sanctioned by Government.

49. COST OF THE FORCE:-- The cost of the Police Administration, as per figures furnished by the Comptroller was Rs.18,22,768/- as against Rs.14,64,803/- in the previous year as shown below:--

1.	Superintendence. - -	Rs. 68,016/-
2.	Criminal Investigation Department.	7,614/-
3.	District Executive Police including City Police, Bangalore and Mysore.	12,13,027/-
4.	Kolar Gold Fields Police. -	80,142/-
5.	Do. Detective Police.	12,649/-
6.	Railway Police. - -	16,781/-
	Consolidated allowance. -	4,16,839/-
		18,22,768/-

There was increase of expenditure under all the heads. The increase under District Executive Police is partly due to the appointment of 4 men to the Railway platform at Mysore and Narasimharajapura, the temporary staff sanctioned for Chettanahally and Belagola Out-Posts and Chitaldrug town, and the establishment of the offices of Assistant Police Superintendents at Sagar and Chickaballapur, to the filling up a large number of vacancies in the Bangalore City and to the Frontier Patrol establishment, portion of which continued throughout the year

52

and partly to the sanction of the high price allowances.

60. HUTTING AND BUILDING:-- A sum of Rs.5,437/- was spent departmentally during the year 1920-21 in the execution of 2 petty original works and repairs to 75 buildings (Rs.103/- on original works and Rs.5,334/- on repairs) against a sum of Rs.5,517/- spent in the previous year in the execution of 2 petty original works and repairs to 63 buildings. Besides, an expenditure of Rs.28,631/- was incurred by the Public Works Department on the construction and repairs to Police buildings (Rs.23,198/- on original works and Rs.5,433/- on repairs) durin the year against Rs.39,391/- in the previous year. It will be seen that the expenditure is less than in last year on account of expenditure being cut down.

The provision of lines for men is urgently required in some parts and an annual allotment for this purpose is very necessary.

61. OOKKAD THOTHES:-- There was no change in the number of Ookkads sanctioned, viz. 352. All these Ookkads are reported to be working except four in Kadur and four in Mysore Districts for want of men.

62. INSPECTOR-GENERAL'S INSPECTION:-- From July 1920 to June 1921, I toured in all the Districts of the State, was out in camp for 173 days, travelled 4,736 miles by rail and 1,444 miles by road, inspected all the District Police Superintendents' Offices including the offices of Superintendent of Police, Railways and C.I.D. and Assistant Police Superintendents of Bangalore and Mysore Cities, Sagar,

Davangere, Chickaballapur, 25 Taluk Police Offices, 21 Investigating Centres, 18 Sub Stations and 19 Out-posts.

53. PUNISHMENTS:-- The total number of officers and men punished judicially and departmentally increased from 2303 to 3081 in the year under report. Of these, 3047 were for breaches of departmental rules and discipline and 34 for other offences. The following are the offences for which Police men were convicted:--

Offences against Police Regulation.	17
Rioting. - -	1
Theft. - -	4
House-breaking. - -	1
Wrongful confinement and extortion.	2
Chapter IX. - -	9
Total.	34

The large number of punishments both departmentally and judicially, it is reported, is due to a better class of recruits not being secured, for the pay and emoluments offered to them which is not sufficiently attractive as compared with the onerous nature of work expected of them.

54. R E W A R D S:-- The number of officers and men rewarded by promotions was 18 against 21 in the previous year and the number who were given money rewards was 396 against 322. The money rewards amounted to Rs.3,960/- against Rs.1,647/- in the previous year. Of the amount awarded to officers and men of the department, a sum of Rs.2,300-8-0 against Rs.997/- was from the budget grant and the balance from private individuals. A further sum of Rs.1,184-8-0 of which Rs.938-8-0 was from the budget grant and Rs.246/- from private individuals was awarded to 87 private individuals.

Particular mention will be made of a sum of

Rs.845/- offered as rewards to the several officers and private individuals and a revolver valued at Rs.100/- to Mr.Shadiram, Zamindar, Anwali, Muzfarnagar District, United Provinces, for their services in the recovery of the valuable diamond necklace which had been stolen by Bavarias in the previous year.

The Maharaja's Police Medal -a coveted distinction- was awarded to the Provincial Special Reserve Constable Tirumalaswamy for conspicuous bravery displayed in capturing a notorious outlaw by name Kanneswara Rama, who after escaping from Police custody in the Dharwar District committed a series of murders both in the British and Shimoga Districts.

Other cases of rewards have been referred to in para 34 about village police.

55. POLICE LENT TO PRIVATE INDIVIDUALS:-- 2 Officers and 17 men were lent to private individuals on the usual condition of payment as against 1 officer and 23 men.

56. PROSECUTING INSPECTORS:-- The Prosecuting Inspectors in the several Districts and Cities conducted prosecutions in 3172 cases against 2557 of previous year, of which 1646 cases against 1389 ended in conviction, 672 in acquittal or discharge, 41 were withdrawn, 22 were struck off, 99 compounded and the remaining 692 were pending trial at the close of the year as against 704 in the previous year. They also appeared before the District Magistrates and 1st Class Magistrates to support convictions in appeals and instructed Public Prosecutors in Sessions cases.

57. CRIMINAL GANGS:-- There are at present 1149 permanent Criminal gangs numbering 41,180 persons, consisting of 12,169 men, 11,967 women and 17,044 children. The number of wandering gangs that passed through the State was 505 comprising of 3,721 men, 3,940 women and 6,324 children.

The temporary staff, which had been sanctioned for the registration of the Criminal Gangs collected statistics relating to 1059 Korachars of Bangalore and Tumkur Districts, 1,242 Koramars of Hassan, Kadur and Bangalore Districts, 813 Waddars of Bangalore and Tumkur Districts and 292 Handi Jogis of Bangalore District; all these gangs were declared under the Criminal Tribe Regulation by Government. They had also collected statistics regarding other tribes in the Districts of Mysore, Shimoga and Kadur but they were not completed during the year the staff having been dispensed with from 1st July 1921. The further work in this connection is being done in the respective Districts.

During the year there was some correspondence about Bavarias. It has been published in the book "Practical methods in Police Work" by Mr. Warner, Principal, Police Training School, Muradabad, that there is a colony of Bavarias in the Mysore State. Mr. Warner was written to that there was none. In reply he wrote

> "The existence of a large colony of Bavarias in Mysore came to my notice in 1901 when I was Superintendent in Muzafirnagar. The gang burgled a temple in Bangalore of Rs.80,000 worth of jewellery. I remember in that year doing what I could to assist the Mysore Police. My experience is not more recent and I must apologize if my information is not up-to-date. I have however found it is practically impossible to erradicate such undesirables once when they have taken root. I had of course no information that the Mysore Police were able totally to get rid of the tribe."

On a circular being issued, it has been reported by all officers that there are no Bavari settlements in the State. The criminal gangs permanently residing are of the class usual in Southern India.

58. MEETING OF BORDER SUPERINTENDENTS:-- During the year, the Superintendent, Kolar Gold Fields, met in conference, the District Superintendent of Police of Chittoor at Corgaum and the District Police Superintendents of Bangalore, Kolar, and Chitaldrug Districts as also the District Superintendent of Police, Railways and C.I.D. and my Head Quarter Office Assistant met the District Superintendent of Police, Ananthapur at Bangalore.

59. CASUALITIES:-- The total number of casualities during the year was 434 as against 406 in the previous year as detailed below:--

Casualities.	1919-20	1920-21.
Discharged on pension.	22	73
By resignation without pension or gratuity.	79	57
By dismissal.	98	118
By discharge.	57	52
By desertion.	102	75
By death.	48	59
Total.	406	434

The decrease under Resignation, discharge and desertion is attributed to the high price allowances granted during the year.

The increase in retirements is due to the fact that superannuated men could not be kept on for two reasons (1) because better trained men had to be appointed, (2) that people disturbed on account of retrenchments effected might be ~~given~~ found places.

The number of dismissals is, it is regretted, large like other punishments.

It is satisfactory that the number of deserters is less.

Though the number of resignations is less than in last year, I have to bring to the notice of Government that the pay offered is not attractive to men of high educational qualifications.

Five Law Graduates resigned the service of whom three had put in service ranging from 10 years to 14 years.

Two graduates were appointed as Probationary Inspectors. One resigned in about 15 days and the other after about 5 months. A third graduate who was appointed in place of the first did not join as he was able to secure some other post. Thus during the year there were no Probationary Inspectors at all.

It is not possible to do away with educational qualifications especially in the case of Prosecuting and Head Quarter Inspectors. A separate cadre for them is necessary.

60. ADMINISTRATIVE MEASURES:-- The following administrative measures were sanctioned during the year:--

1. Conversion of the status of the Principal, Police Training School from that of an Assistant Commissioner to that of an Assistant Superintendent of Police.
2. Grant of horse allowance to Assistant Superintendents of Police, Bangalore and Mysore Cities.
3. Transfer of the Office of the Assistant Superintendent of Police, Chickaballapur to Channapatna, temporarily for a year.
4. Conferring of certain independent powers of control on Assistant Police Superintendents.
5. Framing of rules for the training of Probationary Inspectors and Sub Inspectors in practical work.
6. The transfer of Railway jurisdiction from District Superintendent of Police, Railways and C.I.D. to Kolar Gold Fields

58

the Superintendent of Police, Kolar Gold Fields.

61. STRIKES AND OTHER POLITICAL AGITATIONS:-- There remains only one item of work of the year to be referred to, viz. the work done by the Police on the occasion of strikes. The rise in prices led the labouring classes to demand higher wages. Strikes were threatened once or twice in the Kolar Gold Fields. The Deputy Commissioner and District Superintendent of Police and the officers of the Geological Department helped the Mining Superintendents in settling matters satisfactorily.

There were strikes in the Bangalore Woollen, Cotton and Silk Mills and the Mysore Spinning and Manufacturing Co., Ltd., in the months of October 1920 and January 1921 which necessitated extra Police arrangements for the maintenance of law and order. The strikers behaved well and resumed work also soon. In appreciation of the services of the Police on the occasions, the Managers of the Bangalore Woollen, Cotton and Silk Mills, sent a sum of Rs.1,000/- and the Mysore Spinning and Manufacturing Co., Ltd., a sum of Rs.100/- for distribution amongst the Police Force. It was considered inadvisable to distribute the amount individually. With this sum of money (Rs.1,100/-) as a nucleus, a Police Co-operative Society was started, with the approval of Government, for the permanent benefit of the Police Force.

Necessary Police arrangements were also made during the strikes in the Government Press.

62. Having been in charge of the Department for over 2 years and tested the several officers for a fairly long period, I am in a position to express an opinion about their work and it is my pleasing duty to commend the good work done by Messrs. Sri Narasimha Sastry, Machia and Sirajuddin Mahomed. Mr. Sri Narasimha Sastry, who for some years, was serving in other Departments, got back to the Department in March 1920 and

before the close of the official year 1920-21 had on account of the exigencies of the service to be posted to four Districts. Everywhere his energy, enthusiasm and experience enabled him to efficiently guide the investigation work of his subordinates.

Mr. Machia who worked similarly in the Mysore District and Kolar Gold Fields. The conspicuous success in Sessions cases in the Mysore District is due to his hard work.

The work of these officers has been commended by Government in individual cases.

Mr. Sirajuddin Mahomed as Assistant Superintendent of Police of Bangalore City, had very onerous work to do and did it very satisfactorily. Prevention of offences received his attention and great patience and perseverence were displayed in the matter of detection.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Police.

Letter No. 43/21 dated 30th September 1921 from the Inspector General of Police in Mysore forwarding the report on the Administration of the Police - Department during the year 1920-21.

Order No. J 4309-18 Police 71-21-3

Dated Bangalore, 11th March 1922.

State of crime. In spite of abnormal seasonal conditions due to scarcity and high prices of food-stuffs during the year under review there was a decrease in the volume of crime which is attributed by the Inspector General to the greater vigilance of the Police in watching the movements of criminal gangs, and the timely adoption of preventive measures.

Cognizable cases. 2. The total number of cognizable cases reported to the Police during the year was 7543 against 8459 in the previous year showing a decrease of 955. A - slight increase is noticeable in the number of offences against the State, public tranquility and minor offences against person, while there has been a marked decrease in the number of serious offences against person and property and other offences, in all Districts except Hassan which shows an increase of 5. The percentage of cases ending in conviction to cases decided and of - property recovered to that lost was 70.0 and 44.7 as against 73.5 and 32.3 respectively, in the previous year. The

64

There was a perceptible improvement in the recovery of stolen property.

Disposal of cognizable cases.

3. Out of 13,967 cases investigated by the Police, as many as 2470 were declared as false, ~~due to mistake of fact~~, or as non-cognizable; 1295 cases as undetectable; 72 cases ~~to be~~ were struck off ~~on 'C'~~ form by the Magistrates after submission in 'A' ~~Form~~ and 126 were either withdrawn or compounded. Of the remaining 9743 cases, 2954 ended in conviction and 1262 in acquittal or discharge, leaving 5528 pending at the close of the year - 2224 pending with the Magistrates on 'A' form, 1554 on 'B' form and 1721 under investigation by the Police.

What is this? Please explain the same as it is not mentioned.

Serious offences against person.

4. The number of murders reported during the year was 74 - the same as in 1919-20 with 29 convictions as against 33. The percentage of convictions to cases reported was 39.2 against 44,6 and that to cases decided was 50.9 against 56.9; showing a fall in both directions. The murder of one Akkur Gundappa of Channapatna which attracted public attention ended in the conviction of ~~the offenders~~ six persons, the principal of them being sentenced to death.

Offences relating to coins and currency notes.

5. There were 11 cases relating to coins and 3 to currency notes. In one of these, the accused was caught in the act of counterfeiting 4 anna nickel coins. The cases ended in conviction.

R i o t s.

6. Cases of rioting increased from 54 to 95, Mysore District contributing the largest number. It is a matter of

regret that some of them were due to communal differences particularly regarding processions.

Offences against person and property.

7. The number of dacoities fell from 57 to 27, robberies from 81 to 77 and cases of house-breaking and theft from 1941 to 1627. Greater vigilance over foreign gangs is said to have contributed to the decrease.

Non-cognizable cases.

8. The number of cases ordered to be struck off as false or non-cognizable or as due to mistake of law or fact, was ~~as high as~~ 2470, and prosecutions for false complaints were instituted in 6 cases, and for perjury in two cases ~~only~~.

Preventive action under Section 565, Criminal Procedure Code.

9. Only 3 persons were ordered to notify their residence under Sec.565 Criminal Procedure Code against 2 in the previous year. Considering the large number of cases of previous convictions referred to in paragraph 26 of the report, this cannot be said to be satisfactory. The attention of the District Magistrates is drawn to the remarks made in paragraph 12 of the last year's review in this respect.

Work of Village Police.

10. Government are glad to note that the Village Police ~~promptly~~ co-operated with the Regular Police and thereby facilitated the capture of some dangerous criminals. 69 persons were arrested by the Village Police in 51 cases against 126 persons in 60 cases in the previous year.

Action taken under Juvenile Smoking Prevention Regn.

11. 73 juveniles were prosecuted under the Juvenile Smoking Prevention Regulation as against 127 in the previous year and 22 in 1918-19. Of these, 6 were convicted and fined, and 67 were warned being first offenders. Government will be glad if the provisions of this wholesome Regulation are more strictly enforced in future.

Unnatural deaths.

12. Statistics regarding accidental deaths, mining accidents and snake bites as required in paragraph 18 of last year's review have been furnished during the year under report, showing a decrease in suicides and accidental deaths, and an increase in snake bites and other causes.

The Police Training School.

13. The status of the Principal of the Police Training School was changed from that of a District Superintendent of Police, to that of an Assistant Superintendent of Police. 128 constables underwent training in the institution during the year of which 126 were declared to have passed. All the illiterate constables were taught how to read and write Kannada.

Recruitment.

14. The number of vacancies in the Force fell from 169 to 71 in the year under report. The improvement is attributed to the high prices allowances sanctioned by Government.

Discipline of the force.

15. The total number of officers and men punished judicially and departmentally increased from 2303 to 3081 in the year

67

under report and the rise is reported to be due to the impossibility ~~in~~ of securing a better type of recruits for the scanty pay and emoluments offered in comparison with the arduous duties entrusted to them. ~~The explanation~~ cannot be accepted. Government will be glad if the I. G. will further investigate the matter.

Inspection work.

16. Inspection work was satisfactory in all the districts, the Deputy Commissioners and the Superintendents of Police inspecting 93 and 549 offices respectively. Between July 1920 to June 1921, the I. G. spent 173 days on inspection work. He inspected all the District Police offices, including the offices of the Superintendent of Police, Railways and C.I.D. and Assistant Superintendents of Bangalore and Mysore cities, Sagar, Davangere, Chikballapur and 25 Taluk Police offices, 21 investigating centres, 18 sub-stations and 19 out-posts.

Registration of Criminal gangs.

17. The temporary staff sanctioned for the registration of criminal gangs collected statistics relating to 1059 Korachars of the Bangalore and Tumkur Districts, 4242 Kormars of Hassan, Kadur and Bangalore Districts, 813 Waddars of Bangalore and Tumkur Districts and 292 Handi Jogis of Bangalore District. These gangs have been brought under the operations of the Criminal Tribes Regulation.

Rewards.

18. In recognition of the work done by

68

the Police officers and men during industrial strikes in Bangalore City, the Managers of the Woollen, Cotton and Silk Mills Company and of the Mysore - Spinning and Manufacturing Co., offered rewards of Rs. 1000/- and Rs. 100/- - respectively, with which a Co-operative Society for the benefit of the Police Force, has been started.

Investigation of heinous offences by higher officers.

19. Government note with satisfaction that Police officers of the higher grade and Amildars generally evinced greater interest in the investigation of heinous ~~cases~~. Crime

3. *Disposal of cognizable cases.*—Out of 13,967 cases investigated by the Police, as many as 2,470 were declared as false, or as non-cognizable; 1,295 cases as undetectable; 72 cases were struck off by the Magistrates after submission on "A" form and 126 were either with-drawn or compounded. Of the remaining 9,743 cases, 2,954 ended in conviction and 1262 in acquittal or discharge, leaving 5,528 pending at the close of the year 2,224 pending with the Magistrates on "A" form, 1,554 on "B" form and 1,721 under investigation by the Police.

4. *Serious offences against person.*—The number of murders reported during the year was 74 the same as in 1919-20 with 29 convictions as against 33. The percentage of convictions to cases reported was 39·2 against 44·6 and that to cases decided was 50·9 against 56·9 showing a fall in both directions. The murder of one Akkur Gundappa of Channapatna which attracted public attention ended in the conviction of six persons, the principal of them being sentenced to death.

5. *Offences relating to coins and currency notes.*—There were 11 cases relating to coins and 3 to currency notes. In one of these, the accused was caught in the act of counterfeiting 4 anna nickel coins. The cases ended in conviction.

6. *Riots.*—Cases of rioting increased from 54 to 95, Mysore District contributing the largest number. It is a matter of regret that some of the riots were due to communal differences regarding processions.

7. *Offences against person and property.*—The number of dacoities fell from 57 to 27, robberies from 81 to 77 and cases of house-breaking and theft from 1941 to 1627. Greater vigilance over foreign gangs is said to have contributed to the decrease.

8. *Non-cognizable cases.*—The number of cases ordered to be struck off as false or non-cognizable or as due to mistake of law or fact, was 2470, and prosecutions for false complaints were instituted in 6 cases, and for perjury in two cases.

No. J. 4309-18—Pol. 71-21-3, Dated 11th March 1922.

9. *Preventive action under Section 565, Criminal Procedure Code.*—Only 3 persons were ordered to notify their residence under Section 565, Criminal Procedure Code against 2 in the previous year. Considering the large number of cases of previous covictions referred to in paragraph 26 of the report, this cannot be said to be satisfactory. The attention of the District Magistrates is drawn to the remarks made in paragraph 12 of the last year's review in this respect.

10. *Work of Village Police.*—Government are glad to note that the Village Police co-operated with the Regular Police and thereby facilitated the capture of some dangerous criminals. 69 persons were arrested by the Village Police in 51 cases against 126 persons in 60 cases in the previous year.

11. *Action taken under Juvenile Smoking Prevention Regulation.*—73 Juveniles were prosecuted under the Juvenile Smoking Prevention Regulation as against 127 in the previous year and 22 in 1918-19. Of these, 6 were convicted and fined, and 67 were warned, being first offenders. Government will be glad if the provisions of this wholesome Regulation are more strictly enforced in future.

12. *Unnatural deaths.*—Statistics regarding accidental deaths, mining accidents and snake-bites as required in paragraph 18 of last year's review have been furnished during the year under report, showing a decrease in suicides and accidental deaths, and an increase in snake-bites and other causes.

13. *The Police Training School.*—The status of the Principal of the Police Training School was reduced from that of a District Superintendent of Police, to that of an Assistant Superintendent of Police. 128 constables underwent training in the institution during the year of which 126 were declared to have passed. All the illiterate constables were taught how to read and write Kannada.

14. *Recruitment.*—The number of vacancies in the Force fell from 169 to 71 in the year under report. The improvement is attributed to the high prices allowances sanctioned by Government.

15. *Discipline of the force.*—The total number of officers and men punished judicially and departmentally increased from 2303 to 3081 in the year under report and the rise is reported to be due to the impossibility of securing a better type of recruits for the scanty pay and emoluments offered in comparison with the arduous duties entrusted to them. The matter requires further investigation.

16. *Inspection work.*—Inspection work was satisfactory in all the Districts, the Deputy Commissioners and the Superintendents of police inspecting 93 and 549 officers respectively. Between July 1920 to June 1921, the Inspector General spent 173 days on inspection work. He inspected all the District Police offices including the offices of the Superintendent of Police, Railways and C. I. D. and Assistant Superintendents of Bangalore and Mysore Cities, Sagar, Davangere, Chikballapur and 25 taluk Police offices, 21 investigating centres, 18 sub-stations and 19 out-posts.

17. *Registration of Criminal gangs.*—The temporary staff sanctioned for the Registration of criminal gangs collected statistics relating to 1059 Korachars of the Bangalore and Tumkur Districts, 4242 Koramars of Hassan, Kadur and Bangalore Districts, 813 Woddars of Bangalore and Tumkur Districts and 292 Handijogis of Bangalore District. These gangs have been brought under the operation of the Criminal Tribes Regulation.

18. *Rewards.*—In recognition of the work done by the Police officers and men during industrial strikes in Bangalore City, the Managers of the Woollen, Cotton and Silk Mills Company and of the Mysore Spinning and Manufacturing Company offered rewards of Rs. 1000 and Rs. 100 respectively with which a Co-operative Society for the benefit of the Police Force has been started.

19. *Investigation of heinous offences by higher officers.*—Government note with satisfaction that Police officers of the higher grade and Amildars generally evinced greater interest in the investigation of heinous crime.

No. Per. 43—21

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE.

Dated Bangalore, 30th September 1921.

FROM

A. SUBRAHMANYA IYER, ESQ., B.A.,
Inspector-General of Police in Mysore.

To

B. RAMASWAMAIYA, ESQ., B.A., B.L.,
Secretary to the Government of Mysore, General Department.

Sir,

I have the honour to submit the following report on the Administration of the Police Department in Mysore during the year 1920-21.

I held charge of the Department throughout the year.

Mr. T. Abdul Khader continued to be the Head-Quarter Office Assistant till the 6th September 1920, on which date he was relieved by Mr. S. Narayana Rao, who continued in that capacity till the 23rd June 1921 on which date he went on 20 days' privilege leave handing over charge to Mr. G. Santaveerappa, Principal, Police Training School, who remained in charge of the office till the close of the official year in addition to his own duties.

2. Appendix "A" shows the names of Police Officers who were in charge of the Districts during the year.

PART I—CRIME.

3. *Reported Crime.*—In all 7,543 cognizable offences of all classes or 916 less than in the previous year were reported to the Police. The fluctuations in the several classes of offences are as shown below:—

Class	Description of crime	Reported in		Increase	Decrease
		1919-20	1920-21		
I	Offences against the State, public tranquillity, etc.	132	153	21	...
II	Serious offences against person ...	667	649	...	18
III	Serious offences against person and property.	2,232	1,860	...	372
IV	Minor offences against person ...	129	147	18	..
V	Minor offences against property ..	3,875	3,437	...	438
VI	Other offences not specified above ..	1,424	1,297	...	127
	Total ...	8,459	7,543	39	955
		Net decrease 916 or 10·8 per cent.			

Excepting in classes I and IV, there was a decrease in all the other classes, the decrease in classes III, V and VI being substantial. This was general in all Districts and is attributed by the District Police Officers to the greater vigilance of the Police in watching the movements of criminal gangs, the timely adoption of preventive measures such as road and jungle patrols and also the institution of security proceedings. The decrease under Class VI which commenced last year has continued this

8. *Offences relating to coins.*—Eleven cases (9 reported and 2 pending) were dealt with under this head as against 3 in the previous year, Kolar contributing the largest number, viz., 3.

Bangalore	1
Kolar	3
Mysore	1
Kadur	1
Kolar Gold Fields	2
French Rocks	1

Two of these deserve mention. On the 19th December 1920, arrack contractor Lakshman Pillay went to the Seringapatam Treasury to make payment and in so doing, presented some coins which were cut by the Treasury officials and found to be counterfeit. Besides this, he had some more counterfeit coins (some silver, nickel and copper) and 153 eight-anna nickel coins of 1919, secured in a bundle, and also in his pocket. The Police Daffedar noted this and gave information to the higher officers when they returned later in the day from camp. Investigation was promptly taken up in the course of which the moulds etc., used were also discovered. Lakshmana Pillay along with four others (one goldsmith and 3 Mahommedans) were placed before the Court. The Assistant Sessions Judge, Mysore, made Lakshmana Pillay an approver and convicted and sentenced his companions to various terms of imprisonment.

The Kolar District Police and the Provincial Excise detective staff had information that counterfeit coins were manufactured in the villages of Uttanur, etc. and were passed into circulation. Armed with this information, they raided a deserted temple in Uttanur on 22nd June 1921 with the result that they caught redhanded, the accused Janaghatta Makarappa and goldsmith Veerabhadrachari in the act of counterfeiting nickel 4 anna pieces with mud moulds, etc. At the end of the year, the case was pending before the committing magistrate and has since ended in conviction. Of the remaining 10 cases, 3 (including pending cases in which the accused got 7 years rigorous imprisonment) ended in conviction, one in acquittal, 4 were pending on A. Form, one on C. Form and one was pending with the Police at the close of the official year.

Offences Relating to currency notes.—Three cases of the receipt of forged currency notes were reported during the year (one from Hassan and two from Bangalore City) against 6 cases in the previous year. One is pending before the Magistrate on "A" Form and the other two are pending with the Police.

9. *Other Offences Against Public Justice.*—The number of cases reported during the year decreased from 63 to 41. The decrease is due to the fall in the number of escapes from lawful custody. Instructions were issued for the prevention of such escapes and leg shackles were supplied in order that persons might not have an opportunity of running away when given some liberty for purposes of easing. The decrease shows that the action taken has proved effective. The percentage of convictions to cases reported and pending was 32·70 and that to cases decided 78·70.

10. *Riots.*—The number of cases reported during the year was 95 as against 54 in the previous year. Though the number is large, it is satisfactory that death resulted in 3 cases only (two in Bangalore and one in Chitaldrug District) against 7 in last year. Most of these, as usual, were due to land disputes and factions in villages. A few were due to communal differences about processions and music. The largest number of these cases was again in the Mysore District. Except in Shimoga, there was an increase in all the districts. The District Superintendent, Shimoga, puts down the decrease to the timely proceedings taken under Section 145 C. P. C. Instructions have been issued pointing out how disputes can be prevented from developing into riots.

In the previous year, 12 cases ended in conviction and 75 cases were pending on "A" form, while in the year under report, 18 cases ended in conviction and 90 cases were pending on "A" Form before Magistrates. 38 cases ended in acquittal or discharge in this year as against 18 in the previous year and one was struck off on A Form.

The District Superintendent of Police, Mysore, rightly attributes the increase in the number of cases acquitted to delay in disposal by Magistrates, which afforded ample scope for the accused to tamper with the evidence for prosecution.

Two cases of rioting deserve mention here. The dispute between Hindus and Mahomadans of Mandya town over processions going in front of a chavadi claimed as a place of worship by Mahomadans led to a riot on the 18th September 1920 when the Hindus, after obtaining license were taking the image of Sri Krishna in procession. Charge sheets against both parties were placed before Court. Before the cases proceeded, certain influential Hindu and Mahammadan gentlemen of Mysore used their good offices and brought about a reconciliation between the two parties.

The other case refers to the rioting in the town of Chintamani which has attracted a good deal of attention. While the Vaisyas were taking a marriage procession with music the Mussalmans claimed, in spite of decision to the contrary, that music should be stopped in front of the building used by them as a mosque and caused a disturbance, in which the Police and Vaisyas were assaulted.

Class II.

11. *Serious Offences Against Person.*—The total number of reported as well as pending cases was 1,352 against 1,287 in the previous year, showing an increase of 65 cases, due to a large number of pending cases, of last year. There was a slight decrease in the cases reported from 667 to 649. The number of cases reported under the offence of "Murder" remained stationary; while there was a decrease of 3 and 5 cases under the offences of "Attempt at murder" and "Culpable homicide not amounting to murder." It will be seen that cases of grievous hurt have risen from 73 to 106 and cases of criminal force have fallen from 152 to 124. The variations in other items are small. The percentage of convictions to cases reported and pending was 12·7 while that in the last year was 11·5 and that to cases decided was 43·2 against 43·5.

12. The subjoined table gives the results of action in cases of "Murder" "Attempt at murder" and "Culpable homicide" in the several Districts :—

In the matter of murders, the increases in the Districts of Kolar, Tumkur and Chitaldrug and the decreases in Mysore and Shimoga are noticeable. Twenty-nine cases ended in conviction in this year against 33 in the last year. The percentage of convictions to cases reported and pending and cases decided was 39·2 and 50·9 against 44·6 and 56·9 respectively. The lower percentage is due to 4 cases struck off on "A" Form as the accused were dead.

Thirty-five murders are reported to be due to love intrigues, 17 to Civil disputes and ill-feeling, 3 to riots, 2 to thefts and 13 to other causes; and 4 are cases of infanticide.

A few cases of murder deserve mention here.

In the month of January last, there occurred in the village of Sailapur in the Pavagada Taluk, a ghastly murder on the 20th idem. One Vaisya Gundappa and 7 others who were inimically disposed to one Vaisya Sailappa, murdered him and his

cases are given in the following statement for the several Districts :—

18. *Ordinary thefts.*—The number of cases reported under this head appreciably decreased from 2,780 to 2,485 ; while the slight increase in the Districts of Kolar, Kolar Gold Fields, Kadur and Mysore City call for no remarks, the decrease, especially in the District of Bangalore (76) and Shimoga (111) is noticeable. The largest number of thefts was again in the Bangalore District being 274 against 350. The proportion of convictions to acquittals has again increased in all areas except Tumkur, Mysore and Shimoga. The percentage of convictions to cases reported was the highest in the Mysore City being 68·3.

The largest number of cases reported was in the Bangalore District being 274 and the lowest 134 in French Rocks.

19. *Theft of Cattle.*—The decrease in the number of cases under this head from 524 to 414 is noticeable. It is satisfactory to note that the decrease is found in 10 out of 12 areas. The largest was in the districts of Shimoga (25) and Bangalore (24). It is attributed to the greater check exercised over the movements of professional cattle-lifters by both the village and regular Police. No case, it will be observed, was however traced to cattle-lifters. The Superintendent of Police, Kolar Gold Fields reports that in conjunction with the District Superintendent of Police, Chittoor, arrangements have been made for issuing chits by Patels and Shanbhogues and other persons to every seller of leather and for the inspection of Mandies or Go-downs of Hide-Merchants and the checking of their registers and for the intimation of the cattle-thefts to the adjoining Districts in British Territory and Mysore State and so forth, and that these preventive measures are proving successful. The percentage of convictions to cases reported and pending being almost the same as in the previous year 41 against 41·6 and that to cases decided was 64·6 against 78·7 in the previous year.

20. *Receiving Stolen Property.* Under this head, 31 cases were reported during the year or 9 less than the previous year. Twenty cases ended in conviction and 19 ended in acquittal or discharge including those of the previous year.

21. *Persons in Police cases.*—The total number of persons concerned in cognizable cases dealt with by the Police was 12,533 (7,993 arrested during the year and 4,540 pending from previous year) against 11,901 (7,884 arrested and 4,017 pending in the previous year). Of these, 249 persons were released (230 by Police under 169 Criminal Procedure Code and 19 by Magistrates) without trial, 4,026 were convicted, 3,105 acquitted or discharged, cases against 49 were withdrawn, 160 compromised, 31 died, one escaped, one made an approver, 17 were transferred, 2 were sent to Lunatic Asylum and 4892 were in custody, pending investigation or trial or on bail at the close of the year, the figures for the preceding year being 292 released (224 by Police and 68 by Magistrates) 4,315 were convicted, 2,596 discharged or acquitted, cases against 54 withdrawn, 71 compromised, 13 died, 6 escaped, 13 transferred, one sent to Lunatic Asylum and 4,540 were pending investigation or trial or on bail. The percentage of persons convicted to those arrested was 50·3 against 62·4 and of those tried was 56·6 against 62·4 in the previous year.

22. *Direct cases and persons*.—In 2,032 Magistrates' true cognizable cases 5,877 persons were arrested, of whom 584 were convicted in 335 cases. The percentage of convictions to true cases was 16·4 against 16·8.

23. *Non-cognizable cases*.—The number of non-cognizable cases entertained by Magistrates, during the year under report, was 10,080 against 9,886 in the previous year showing an increase of 194 cases. Including 1,534 cases pending at the end of the preceding year, the total number of cases dealt with during the year was 11,614. Of these, 2,844 or 24·5 per cent ended in conviction against 2,965 or 26·3 per cent and 5,325 ended in acquittal or discharge against 5,140 in the preceding year. Of the remaining cases, 650 as against 700 were dismissed without trial, 3 against 11 were declared to be due to mistake of law or fact; 1,018 against 901 were compounded or withdrawn and 37 against 22 were transferred, one was struck off and 1,730 against 1,534 cases were pending trial at the close of the year.

24. *Persons in non-cognizable cases*.—Including 3,668 persons who were under trial before the Courts at the beginning of the year, 24,706 appeared before courts, in the above cases. Of these, 16,251 persons were tried, 3,278 or 20·1 per cent were convicted and 12,973 were either acquitted or discharged, 2,361 were discharged, after appearance without trial, 1,679 were concerned in cases compounded or withdrawn, 108 were transferred, 6 died and 4,301 were awaiting trial at the close of the year.

25. *Cases referred to Police for enquiry*.—The following statement gives Districtwar details of both cognizable and non-cognizable cases referred by Magistrates to the Police for enquiry and the way they have been disposed of:—

During the year under report, 627 cognizable cases and 49 non-cognizable cases were referred to the Police for enquiry as against 688 and 37 respectively in the preceding year. The tendency to refer cases to the Police still continues and has not shown any signs of substantial improvement. The largest number of references under cognizable and non-cognizable cases was in the District of Shimoga being 125 and 30 against 71 and 7 respectively in the previous year.

It is expected that the remarks by Government in the review of last year's Administration Report will tend to reduce the number hereafter.

26. *Previous convictions.*—Out of a total of 1887 persons convicted of offences under Chapters XII and XVII Indian Penal Code, previous convictions were proved against 230 persons as against 121 out of 1865 persons in the previous year. One previous conviction was proved against 104 persons, 2 against 59 persons, 3 against 13, 4 against 24, 5 against 7, 6 against 9, 7 against 11, 8 against 2 and 9 against 1.

27. *Prosecutions for false complaints.*—Out of 2470 cases against 1954 in the previous year ordered to be struck off by Magistrates as false or non-cognizable or as due to mistake of law or fact, only 8 cases (one in Bangalore, 3 in Mysore, one in Shimoga, two in Kadur and one in Chitaldrug Districts) were declared to be maliciously false. Sanction to prosecute the complainants, though applied for in all the 8 cases, was granted only in 6 cases. In one case sanction was refused and in the other in the Mysore District application was pending disposal before the Magistrate at the close of the year. Prosecutions were launched in all the 6 cases with the result that 3 ended in conviction, one was struck off, owing to the death of the accused, and the remaining two were pending before Magistrates. The District Police Officers of Tumkur, Mysore and French-Rocks sanctioned prosecutions in 5 cases involving 5 persons all ending in convictions.

28. *Prosecutions for perjury.*—Kolar was again the only District in which two cases involving two persons were prosecuted during the year under report and convictions secured in both. In the Mysore District, an application for prosecution in one case was pending with the Magistrate at the close of the year.

It has been observed in the Government Review of last year's report in this connection that

"Having regard to the large number of acquittals, discharges etc., and the frequent complaints of the Police that prosecution witnesses are tampered with, it is strange that only three persons were prosecuted for perjury. Greater attention should be paid by the Police to bring false witnesses to justice. The results achieved during the year under review are poor and show that the Police Superintendents are not alive to their duty in regard to this matter."

This year also the work is no better. The observation of Government might tend to improvement in this matter hereafter.

29. *Sessions trials.*—The total number of Sessions cases was 106 against 108 in the previous year. Of these, 71 or 67 per cent of the cases tried, as against 73 or 68 per cent in the previous year ended in conviction and 15 cases were awaiting trial. The subjoined statement shows Districtwar details:—

The largest number of Sessions cases was in the Districts of Mysore and Shimoga, the figures being 23 and 20 respectively. The best results were secured in Mysore, Hassan, Kadur, and Mysore City; and those in Tumkur and French-Rocks and Bangalore City were good. The percentage of convictions as regards cases decided shows again an improvement being 78 against 76·04. The percentage of convictions of persons shows an inappreciable decrease being 52·76 against 53·9.

30. *Recovery of stolen property.*—Statement "C" attached shows the value of property lost and recovered during the year under report. In 3521 cognizable cases, property of the value of Rs. 3,21,480-13-0 was lost against Rs. 3,90,181 in 3747 cases, of which in 2279 cases property of the value of Rs. 1,43,900-8-1 was recovered against Rs. 1,25,852 in 2477 cases during the previous year. The percentages of cases in which property was recovered to cases in which property was stolen and that of value of property recovered to value of property stolen were 64·7 and 44·7 respectively against 66·1 and 32·3 in the previous year.

The value of property lost was bound to be less as there was a substantial decrease in offences. It has to be noted that the value of property recovered is more than in last year. There were not any cases of breach of trust involving large amounts.

There were however 3 cases of forgery and cheating in the Electrical Department and two in which the amount involved was Rs. 8,280 were placed before Courts and ended in conviction.

31. *Vagrancy and bad character.*—One hundred and forty four persons were proceeded against in 69 cases under the security sections 109 and 110 Criminal Procedure Code against 104 persons in 42 cases, showing thereby some improvement under this head during the year under report. Of these, 72 persons as against 49 were sentenced to various terms of imprisonment and sent to jail and 18 were let off after furnishing security. The details of action taken are given in following statement:—

With a view to prevent crime, the necessity for action under these sections is impressed upon all officers.

The largest number of cases proceeded against was in French-Rocks' being 14 against 39 persons. Though the number of cases dealt with in the Bangalore District was only 8, the number of persons arrested and dealt with was 32. Increased interest in controlling the movements of wandering gangs is perceptible and Mr. R. Shama Rao, who was in French-Rocks and is now Superintendent of Police, Chitaldrug, has shown keenness in the matter.

32. *Preventive Action Under Section 565 C. P. C.*—During the year, 3 convicted persons (one in Kolar and 2 in French-Rocks) were ordered by Magistrates to notify residence under this section against 2 in the previous year. The District Superintendent of Police, Chitaldrug, reports that the old offenders and suspects convicted being mostly foreigners, no orders were sought under this section. The absence of any action in Tumkur District is said to be due to there being no fit cases under this head. The District Superintendent of Police, Hassan, writes that no action could be taken inasmuch as the Magistrates had not been empowered to exercise powers under this section.

33. *Known Depredators.*—The names of 1874 K. D.'s were borne on the registers in the several Districts and Cities. Of these 1370 were present, 230 were out of view, 74 died, 113 were in Jail, 1 joined the Military Department and 86 were transferred to other jurisdictions. Action in accordance with the instructions conveyed in paragraph 13 of Government Review on the Administration Report for 19-20 is being taken and the result will be reported in the Administration Report that will be submitted next year.

34. *Arrest by Village Police.*—Sixty-nine persons were arrested by the village Police in 51 cases against 126 persons in 60 cases in the preceding year. Of these 45 persons in 34 cases were convicted, 11 persons in 7 cases were acquitted, 2 persons in one case were released by the Police, 11 persons in 9 cases were awaiting trial. The largest number of arrests was again in the Bangalore District being 30, while no arrests were made in the Hassan and Chitaldrug Districts. Details of offences in which arrests were made are shown below :—

Though the number of cases and persons is less than in last year, there is nothing to be said against the Village Police. How the prompt action taken by a Patel's mother led to the speedy arrest of accused persons in the Karepura murder case, Nanjangud Taluk, has already been referred to in paragraph *supra*. In the case relating to the murder of Akkur Gundappa, the Patels of some villages in the Channapatna Taluk heartily co-operated with the Police. Rewards in these cases have not yet been recommended.

In the Districts of Shimoga and Chitaldrug, the village Police were liberally rewarded for helping the regular Police in the arrest of offenders.

It is not the village Police only who have helped ; villagers also under the guidance of their Patels have arrested important criminals.

Four Guntichors of Arsikere in the Harapanahalli Taluk concerned in a series of house-breaking and thefts in the Chitaldrug District were captured by the Patel and villagers of Honnaikanahally, Davangere Taluk. The accused were put on trial and convicted to various terms of imprisonment by the Sub-Division Magistrate, Davangere. The villagers were handsomely rewarded.

A dangerous criminal by name one Lokani Rama who was responsible for serious offences in the limits of Harapanahally Taluk in Bellary District and for whose arrest a reward of Rs. 100 had been offered by the British Police and who committed offences in our limits also, was chased for a distance of three miles by relays of villagers of Methlykatte, Naganur, Salakatte and Bislari in the Davangere Taluk and arrested. He was convicted in 3 house-breaking and theft cases in Davangere Sub-Division and sent to Bangalare Central Jail wherefrom he was made over to the British Police for trial. The villagers were suitably rewarded.

35. *Cases under the Mysore Infant Marriages Prevention Regulation :—* In 3 cases (one in Bangalore and 2 in French Rocks) 11 persons were prosecuted for violation of provisions of this Regulation. One case with two persons in French Rocks ended in conviction while 3 persons involved in one case in the Bangalore District were acquitted. The other case in French Rocks against 4 persons was pending trial. Out of the remaining two persons, one died before trial and the other is reported to be absconding.

36. *Offences under the Juvenile Smoking Prevention Regulation :—* Seventy-three Juveniles (28 in Mysore City, 21 in Bangalore City, 20 in Tumkur and 2 in Gold Fields) were prosecuted during the year against 127 in the previous year. Of these, 6 were convicted and sentenced to fine and the remaining 67 warned as first offenders.

The District Superintendent of Police, Tumkur, writes that the guardians of juveniles were also intimated of the warnings accorded.

37. *Processes :—* The total number of processes including those under the Breach of Contract Act, issued, executed and un-executed during the year was 1,66,321, 1,41,840 and 23, 330 against 1,67,315, 1,42,127 and 25,118 respectively in the preceding year. Out of 23,330 processes which were un-executed, 22,169 were returned to Magistrates, while the remaining 1,161 against 2,384 were pending with the Police.

38. *Violent and unnatural deaths :—* The total number of persons who lost their lives from violent and unnatural causes was 2,379 against 2,626 in the previous year shewing a decrease of 247, the causes and details of death being as follows :—

Decrease in the number of suicides and accidental deaths and the increase in the number of deaths due to snake-bites and other causes are noticeable.

39. *Investigation of heinous offences by higher Officers :*—Six hundred and sixty heinous cases were reported during the year as against 719 in the previous year. The District Police Superintendents of Hassan, Kadur, Chitaldrug and Kolar Gold Fields and Assistant Superintendents of Police of Bangalore and Mysore Cities personally directed the investigation of heinous cases on the spot. The District Police Superintendents of Kolar and Tumkur visited the spot and issued instructions in 40 and 25 cases respectively. The District Police Superintendents of Bangalore and Mysore in addition, partially investigated 3 and 2 cases respectively; while the District Police Superintendents of Shimoga and French Rocks fully investigated one and two cases respectively.

During the year, the Amildars in all the Districts investigated 47 cases (34 fully and 13 partly) as against 39 (34 fully and 5 partly) in the previous year. The District Superintendent of Police, Bangalore, reports that the Amildars in the District showed better interest in the investigation of cases. In connection with the case of Akkur Gundappa's murder, the Deputy Commissioner of Bangalore and I visited the scene of occurrence and spent more than a week in the Channapatna Taluk watching the investigation.

40. *Licenses and Prosecutions under the Arms Regulation.*—Nineteen thousand five hundred and seventeen licenses were issued under this Regulation during the calendar year ending 31st December 1920 against 18,154 in the previous year. Thirty three cases involving 36 persons were prosecuted for violation of the provisions of this Regulation and the rules framed thereunder, of which 18 cases involving 19 persons ended in conviction, 2 cases with 2 persons were withdrawn in Kolar Gold Fields and 3 cases with three persons ended in discharge and the remaining 10 cases involving 12 persons were pending disposal at the close of the year.

PART II—General Administration.

41. *Finger print slips on Record.*—On the 1st July 1920, there were 34,153 slips on record and 2,076 slips were received for record during the year making a total of 36,229 slips in the Bureau at the close of the year. The sub-joined statement shows the distribution of slips received for record as compared with the previous year: –

A large number of slips was received for record during the year than in the previous years being 2076 in 1920-21, 1629 in 1919-20, 983 in 1918-19 and 1046 in 1917-18. The largest number of slips *viz.*, 212 was received from Hassan, next come Kolar, Bangalore, Kolar Gold Fields, Tumkur, Mysore, Chitaldrug and Criminal Tribes Section with 198, 193, 164, 152, 120, 119, and 104 slips respectively.

42. *Expert Opinion.*—The expert attended the Courts and gave evidence in 27 Criminal cases and 15 Civil suits and other departmental cases as against 20 and 7 in the previous year. Written opinion was furnished in 40 Civil cases and 16 Criminal and other departmental cases, as against 27 and 8 respectively in the previous year. The expert imparted instruction to the students of the Police Training School on the Finger Print system.

43. *Criminal Investigation Department.*—Mr. A. Hayes was in charge of this department throughout the year.

The staff was in addition to usual work employed in the investigation of (1) a case of cheating by one K. Hanumantha Rao styling himself as the Honorary Secretary of the "Generous Club" Mysore, founded in memory of the late Lokamanya B. G. Tilak, (2) in helping in the investigation of cases of administering stupefying drugs in Hassan and Nanjangud, (3) in the murder case of Akkur Gundappa of Channapatna Taluk, (4) in the counterfeit coin case of Chickamagalur, (5) in enquiring about forged currency notes that appeared in Bangalore City and Belur, (6) in the missing of one Krishniah of Gonibid and (7) in the missing of some kit from parcels sent by the Chief Office to Oorgaum. This Department in the State till now had only to deal with the prevention and detection of offences. There was no political activity in the State and therefore no political cases for the C. I. D. Latterly the starting

of Congress Committees, the training of Khilafat volunteers, the picketting of liquor shops, the holding of political meetings, the delivery of speeches and Harikathas on political subjects and such matters are receiving the attention of the Police.

44. *Police Training School.*—The following officers were in charge of the Police Training School during the year under report:—

Mr. M. Rama Rao, B.A., B.L., from 1st July 1920 to 2nd February 1921.
Mr. C. Machia, B.A., from 3rd February 1921 to 14th March 1921.
Mr. S. Narayana Rao from 15th March 1921 to 16th May 1921 (in addition to his own duties as Assistant to the Inspector-General of Police.)
Mr. G. Santaveerappa, B.A., from 17th May 1921 to 30th June 1921.

The status of the Principal of the School was reduced, temporarily, it is believed, from District Superintendent of Police to Assistant Superintendent of Police with a view to effect retrenchment in expenditure.

During the year, 128 Constables both literate and illiterate underwent training in two batches, each batch for a period of 6 months. Of these, 126 passed in the Final Examination. The illiterate constables were taught how to read and write Kannada.

There were two classes one English and another Kannada, the former for Inspectors and Sub-Inspectors, and the latter for station house officers, 11 and 53 students as against 18 and 30 underwent training respectively in these classes, of whom 7 and 48 against 12 and 27 in the previous year successfully passed in the final examinations.

It is a matter for gratification that out of a total of 15 passes for the whole State in the Local Service Criminal Lower Examination, 6 or 40 per cent of the successful candidates (4 of the Inspectors' Class and 2 of the Station House Officers' Class) come from the Police Training School, one of them standing first for the Province. This demonstrates the value of the instructions imparted and the high level of efficiency in which the School is maintained.

A monthly journal in the Kannada language for the benefit of the Police and the public is being edited by Mr. S. N. Hanumantha Rao, B.A., Senior Inspector in the school and issued once a month. The yearly subscription is Rs. 2. There are 1040 subscribers. The Government was pleased to sanction a grant of Rs. 400 towards the cost of the journal in appreciation of its usefulness in their proceedings No. 18220-21 Police 120-20-2 of 30th March 1921.

The advantages of the hostel system cannot be underrated. The question of making it permanent is before Government.

45. *Provincial special reserve police force.*—Besides the usual guard and escort duties, a small detachment was sent to Madras during the stay of the Royal party there and another was on special duty at Channapatna in connection with the sensational murder case of Akkur Gundappa. Detachments were also detailed for patrolling the Mill areas during the strikes.

46. *Inspection of stations by District Police Officers.*—The following statement shows the details of inspections done by Deputy Commissioners and Superintendents of Police:—

The inspection in all the Districts was satisfactory. The shortcomings in the Bangalore, Kolar, Mysore, Hassan and Chitaldrug Districts and in French Rocks have been accounted for. The Deputy Commissioner of Kadur, it is satisfactory to note, visited all the police stations, while those of Tumkur, Mysore, Hassan, Shimoga and Chitaldrug visited a good number of them.

47. *Strength of the force.*—Statement D appended to the report shows the sanctioned strength, distribution and the cost of the police force during the year. The sanctioned strength was 912 officers and 5326 men as against 915 officers and 5322 men in the previous year, the fluctuation being due to 3 probationers having been absorbed in the regular force and an addition of 4 Constables *viz.*, 2 to the railway platform at Mysore and 2 to Tarikere-Narasimharajpura Tramway.

There was a temporary force of 39 officers and 166 men as against 121 officers and 287 men, and the decrease is accounted for as follows:—

I. Abolition of temporary staff sanctioned for

(*a*) duty on the frontiers of Jagalur and Pavagada Taluks in place of Biradari of Sowars,

(*b*) the food control operations at the several frontiers of the State.

II. Sanction of temporary staff for

(*a*) the Chetnahalli and Belagola out-posts in the Mysore City,

(*b*) the Chitaldrug town.

48. *Recruitment and Vacancies*:—There were 715 enlistments during the year, as against 566 in the previous year, of which 117 or 16·3 per cent was enlisted in the Bangalore City. The number of vacancies at the end of the year was only 71 as against 169 of the previous year. The Chitaldrug District showed the largest number, *viz.*, 35 vacancies, which the District Superintendent of Police ascribes to the inadequate pay and allowances as compared with those obtaining in British Territory. In addition to the Kolar Gold Fields, where there was not a single vacancy both in the past and current years due more to the liberal treatment accorded to the Police in the matter of both pay, local and other allowances and house accommodation, it is highly satisfactory, that the Dtstricts of Kadur, Shimoga and Hassan similarly reported none, a fact which is to be attributed to high price allowances sanctioned by Government.

49. *Cost of the Force.*—The cost of the Police Administration, as per figures furnished by the Comptroller was Rs. 18,22,768 as against Rs. 14,54,803 in the previous year as shown below:—

		Rs.
1.	Superintendence	68,016
2.	Criminal Investigation Department	7,614
3.	District Executive Police including City Police, Bangalore and Mysore.	12,13,027
4.	Kolar Gold Fields Police...	88,142
5.	Do Detective Police	12,649
6.	Railway Police	16,781
	Consolidated allowance	4,16,539
	Total ...	18,22,768

There was increase of expenditure under all the heads. The increase under District Executive Police is partly due to the appointment of 4 men to the Railway platform at Mysore and Narasimharajapura, the temporary staff sanctioned for Chettanahally and Belagola Out-Posts and Chitaldrug town, and the establishment of the offices of Assistant Police Superintendents at Sagar and Chickaballapur, to the filling up of a large number of vacancies in the Bangalore City and to the Frontier Patrol establishment, portion of which continued throughout the year and partly to the sanction of the high price allowances.

50. *Hutting and Building.*—A sum of Rs. 5,437 was spent departmentally during the year 1920-21 in the execution of 2 petty original works and repairs to 75 buildings (Rs. 103 on original works and Rs. 5,334 on repairs) against a sum of Rs. 5,517 spent in the previous year in the execution of 2 petty original works and repairs to 63 buildings. Besides, an expenditure of Rs. 28,631 was incurred by the Public Works Department on the construction and repairs to Police buildings, (Rs. 23,198 on original works and Rs. 5,433 on repairs) during the year against Rs. 39,391 in the previous year. It will be seen that the expenditure is less than in last year on account of expenditure being cut down.

The provision of lines for men is urgently required in some parts and an annual allotment for this purpose is very necessary.

51. *Ookkad Thoties*:—There was no change in the number of Ookkads sanctioned, *viz.* 352. All these Ookkads are reported to be working except four in Kadur and four in Mysore Districts for want of men.

52. *Inspector-General's Inspection*:—From July 1920 to June 1921, I toured in all the Districts of the State, was out in camp for 173 days, travelled 4,736 miles by rail and 1,444 miles by road, inspected all the District Police Superintendents' Offices including the offices of Superintendent of Police, Railways and C. I. D. and Assistant Police Superintendents of Bangalore and Mysore Cities, Sagar, Davangere, and Chickaballapur, 25 Taluk Police Offices, 21 Investigating Centres, 18 Sub-Stations and 19 Out-posts.

53. *Punishments.*—The total number of officers and men punished judicially and departmentally increased from 2519 to 3081 in the year under report. Of these, 3047 were for breaches of departmental rules and discipline and 34 for other offences. The following are the offences for which Police men were convicted :—

Offences against Police Regulation	17
Rioting	1
Theft	4
House-breaking	1
Wrongful confinement and extortion	2
Chapter IX	9
Total ...	34

The large number of punishments both departmentally and judicially, it is reported, is due to a better class of recruits not being secured for the pay and emoluments offered to them, which is not sufficiently attractive as compared with the onerous nature of work expected of them.

54. *Rewards.*—The number of officers and men rewarded by promotions was 18 against 21 in the previous year and the number who were given money rewards was 396 against 322. The money rewards amounted to Rs. 3,950 against Rs. 1,647 in the previous year. Of the amount awarded to officers and men of the department, a sum of Rs. 2,300-8-0 against Rs. 997 was from the budget grant and the balance from private individuals. A further sum of Rs. 1,184-8-0 of which Rs. 938-8-0 was from the budget grant and Rs. 246 from private individuals was awarded to 87 private individuals.

Particular mention will be made of a sum of Rs. 845 offered as rewards to the several officers and private individuals and a revolver valued at Rs. 100 to Mr. Shadiram, Zamindar, Anwali, Muzfarnagar District, United Provinces, for their services in the recovery of the valuable diamond necklace, which had been stolen by Bavarias in the previous year.

The Maharaja's Police Medal, a coveted distinction, was awarded to Provincial Special Reserve Constable Tirumalaswamy for conspicuous bravery displayed in capturing a notorious outlaw by name Kanneswara Rama, who after escaping from Police custody in the Dharawar District committed a series of murders both in the British and Shimoga Districts.

Other cases of rewards have been referred to in para 34 about village police.

55. *Police Lent to Private Individuals.* Two officers and 17 men were lent to private individuals on the usual condition of payment as against 1 officer and 23 men.

56. *Prosecuting Inspectors.*—The Prosecuting Inspectors in the several Districts and Cities conducted prosecutions in 3172 cases against 2557 of previous year, of which 1646 cases against 1389 ended in conviction, 672 in acquittal or discharge, 41 were withdrawn, 22 were struck off, 99 compounded and the remaining 692 were pending trial at the close of the year as against 704 in the previous year. They also appeared before the District Magistrates and 1st Class Magistrates to support convictions in appeals and instructed Public Prosecutors in Sessions cases.

57. *Criminal gangs.*—There are at present 1149 permanent Criminal gangs numbering 41,180 persons, consisting of 12,169 men, 11,967 women and 17,044 children. The number of wandering gangs that passed through the State was 505 comprising 3,721 men, 3,940 women and 6,324 children.

The temporary staff, which had been sanctioned for the registration of the Criminal Gangs collected statistics relating to 1,059 Korachars of Bangalore and Tumkur Districts, 1,242 Kormars of Hassan, Kadur and Bangalore Districts, 813 waddars of Bangalore and Tumkur Districts and 292 Handi Jogis of Bangalore District; all these gangs were declared under the Criminal Tribe Regulation by Government. They had also collected statistics regarding other tribes in the Districts of Mysore, Shimoga and Kadur but they were not completed during the year, the staff having been dispensed with from 1st July 1921. The further work in this connection is being done in the respective Districts.

During the year, there was some correspondence about Bavarias. It has been published in the book "Practical methods in Police Work" by Mr. Warner, Principal, Police Training School, Moradabad, that there is a colony of Bavarias in the Mysore State. Mr. Warner was written to that there was none. In reply, he wrote :—

"The existence of a large colony of Bavarias in Mysore came to my notice in 1901 when I was Superintendent in Muzafirnagar. The gang burgled a temple in Bangalore of Rs. 80,000 worth of jewellery. I remember in that year doing what I could to assist the Mysore Police. My experience is not more recent and I must apologize if my information is not up-to-date. I have however found it is practically impossible to erradicate such undesirables once when they have taken root. I had of course no information that the Mysore Police were able totally to get rid of the tribe."

On a circular being issued, it has been reported by all officers that there are no Bavari settlements in the State. The criminal gangs permanently residing are of the class usual in Southern India.

58. *Meeting of Border Superintendents.*—During the year, the Superintendent, Kolar Gold Fields, met in conference, the District Superintendent of Police of Chittoor at Oorgaum and the District Police Superintendents of Bangalore, Kolar and Chitaldrug Districts as also the District Superintendent of Police, Railways and C. I.

D. and my Head Quarter Office Assistant met the District Superintendent of Police, Ananthapur at Bangalore.

59. *Casualities.*—The total number of casualities during the year was 434 as against 406 in the previous year as detailed below:—

Casualities.	1919-20	1920-21.
Discharged on pension	22	73
By resignation without pension or gratuity ...	79	57
By dismissal	98	118
By discharge	57	52
By desertion	102	75
By death	48	59
Total	406	434

The decrease under resignation, discharge and desertion is attributed to the high price allowances granted during the year.

The increase in retirements is due to the fact that superannuated men could not be kept on for two reasons (1) because better trained men had to be appointed, (2) that people disturbed on account of retrenchments effected might be found places.

The number of dismissals is, it is regretted, large like other punishments.

It is satisfactory that the number of deserters is less.

Though the number of resignations is less than in last year, I have to bring to the notice of Government that the pay offered is not attractive to men of high educational qualifications.

Five Law Graduates resigned the service, of whom three had put in service ranging from 10 years to 14 years.

Two graduates were appointed as Probationary Inspectors. One resigned in about 15 days and the other after about 5 months. A third graduate who was appointed in place of the first did not join, as he was able to secure other post. Thus during the year there were no Probationary Inspectors at all.

It is not possible to do away with educational qualifications especially in the case of Prosecuting and Head Quarter Inspectors. A separate cadre for them is necessary.

60. *Administrative Measures.*—The following administrative measures were sanctioned during the year.—

1. Conversion of the status of the Principal, Police Training School from that of an Assistant Commissioner to that of an Assistant Superintendent of Police.
2. Grant of horse allowance to Assistant Superintendents of Police, Bangalore and Mysore Cities.
3. Transfer of the Office of the Assistant Superintendent of Police, Chickaballapur to Channapatna, temporarily for a year.
4. Conferring of certain independent powers of control on Assistant Police Superintendents.
5. Framing of rules for the training of Probationary Inspectors and Sub-Inspectors in practical work.
6. The transfer of Kolar Gold Fleld Railway jurisdiction from District Superintendent of Police, Railways and C. I. D. to the Superintendent of Police, Kolar Gold Fields.

61. *Strikes.*—There remains only one item of work of the year to be referred to, *viz.*, the work done by the Police on the occasion of strikes. The rise in prices led the labouring classes to demand higher wages. Strikes were threatened once or twice in the Kolar Gold Fields. The Deputy Commissioner and District Superintendent of Police and the officers of the Geological Department helped the Mining Superintendents in settling matters satisfactorily.

There were strikes in the Bangalore Woollen, Cotton and Silk Mills and the Mysore Spinning and Manufacturing Co., Ltd., in the months of October 1920 and January 1921 which necessitated extra Police arrangements for the maintenance of law and order. The strikers behaved well and resumed work also soon. In appreciation of the services of the Police on the occasions, the Managers of the Bangalore

Woollen, Cotton and Silk Mills, sent a sum of Rs. 1,000 and the Mysore Spinning and Manufacturing Co., Ltd., a sum of Rs. 100 for distribution amongst the Police Force. It was considered inadvisable to distribute the amount individually. With this sum of money (Rs. 1,100) as a nucleus, a Police Co-operative Society was started, with the approval of Government, for the permanent benefit of the Police Force.

Necessary Police arrangements were also made during the strikes in the Government Press.

62. Having been in charge of the Department for over 2 years and tested the several officers for a fairly long period, I am in a position to express an opinion about their work and it is my pleasing duty to commend the good work done by Messrs. Sri Narasimha Sastry, Machia and Sirajuddin mahomed. Mr. Sri Narasimha Sastry, who for some years, was serving in other Departments, got back to the Department in March 1920 and before the close of the official year 1920-21 had, on account of the exigencies of the service, to be posted to four Districts. Everywhere his energy, enthusiasm and experience enabled him to efficiently guide the investigation work of his subordinates.

Mr. Machia worked similarly in the Mysore District and Kolar Gold Fields. The conspicuous success in Sessions cases in the Mysore District is due to his hard work.

The work of these officers has been commended by Government in individual cases.

Mr. Sirajuddin Mahomed as Assistant Superintendent of Police of Bangalore City, had very onerous work to do and did it very satisfactorily. Prevention of offences received his attention and great patience and perseverance were displayed in the matter of detection.

I have the honour to be,
Sir,
Your most obedient servant,

A. SUBRAHMANYA IYER,
Inspector-General of Police.
